

The Agony OF PILES

ONLY those who suffer from piles know the misery it brings! It robs life of its pleasure, steals the brightness from existence, and substitutes days of dull pain and moments of acute agony. Most so-called "remedies" give ease only for a time, and then back comes the trouble and pain and misery! Zam-Buk cures Piles! And cures permanently. Proof of this lies all around you. Women and men in all stations of life have proved it—possibly some of your friends! Let it cure you!

Mrs. Wm. Hughes, of 253, Hochelaga St., Hochelaga, Montreal, says: "I was a sufferer for years from blind, itching, protruding piles. The agony I suffered no one knows. Remedy after remedy proved useless. Day followed day and there was no relief for me—pain, loss of strength, dulness, misery, this was my experience until Zam-Buk was introduced. I know now that there is nothing on this earth like it! It cured me of piles, and once cured, I have had no return of the evil. I would like all women who suffer as I did to know that Zam-Buk will cure them!

Being a specific for piles Zam-Buk cures hemorrhoids, blood-poisoning, cracked or chapped hands, itching cuts, burns, bruises, scaly sores, ringworm, bad feet, frost bite, cold sores, and all skin injuries and diseases. All druggists and stores sell at 50¢ a box, or from Zam-Buk Co., Toronto for post.

A SPEED CURE

Kentville, N. S., Jan. 1st, 1910 Messrs. C. Gates, Son & Co. This is to inform you that I have been a sufferer for the last fourteen years from Kidney and Stomach trouble, brought on by severe colds, having been laid up every winter during that time. Last year I was laid up seven months so that I could not go out of the house, Dropsy set in and my stomach swelled so that I was six inches larger than my usual size, had two doctors in attendance but I grew worse and they were going to tap me. My friends despaired of my life. At this time I was recommended to use **GATES' LIFE OF MAN BITTERS and INVIGORATING SYRUP** and in one week after commencing their use my size was reduced two inches, and in four weeks was reduced to usual size so that I went to work in my mills, and have been able to continue it ever since. By continuing the use of your BITTERS and SYRUP I hope to get a cure of the kidney and stomach trouble so far as is possible as it always helps me when I take it. You may make these truths known for the benefit of sufferers. Yours very gratefully, **JOHN W. MARGESON.**

HEIRS BATTLE FOR FIFTEEN MILLIONS

Fight for the Hammersly-Mason Fortune will be Resumed in New York Shortly—Prominent Families Interested—Whole Fight Encircled about two Small Boys.

New York, April 27—The Times today says: The controversy over the peculiar will of Louis C. Hammersly, which aroused interest in this country and Europe more than 25 years ago on account of the prominence of the persons involved and the fight over the Hammersly-Mason fortune of \$7,000,000, which has now increased to approximately \$15,000,000, will presently occupy once more the centre of the legal stage in this city. In answer to the suit brought last fall by the executors of the late Duchess of Marlborough on behalf of her own son, William De La Poe Beresford, for an accounting of certain large sums, the house of Hammersly, together with nearly 200 members of the house of Mason will oppose the action by appearing as defendants in a suit which will test the validity of the Hammersly will on entirely new grounds. The answer of the defendants setting forth the grounds upon which the claim of the Mason family was made is now ready for presentation to the court. The claimants represent some of the best known social families in this city. An unusual and most storybook phase of the renewed contest is that the central figures are two young lads, little William Beresford, a delicate English boy, born late in life to Lily, Duchess of Marlborough, who began life in Troy, N. Y., as Lillian Warren Price and Louis Gordon Hammersly, the boy who was brought up with sister by a nurse in the Hammersly mansion at 80th street and Fifth Ave. Around these lads is to be fought a battle for wealth which has been simmering since January 17th 1909, when the Duchess of Marlborough died at Dorkin, Surrey, England, and with the end of a career of amazing intrigue, cleverness and variety, gave the signal for the re-opening of the famous will case.

MONCTON EXCITED TODAY BY ATTEMPTS OF MAN TO SUICIDE

Newfoundlander Wanted to Jump out of Window and Finally Succeeded After Being Foiled Several Times by Fellow Boarders.

Moncton, April 27—Being in a demented condition and in the belief that he would be better dead than alive, Michael Broderick attempted to end his life early this morning by jumping from the third story window of his boarding house on Main St. As it was, the man fell to the ground and sustained serious injuries about the body and head, and also had a cut behind his right ear. He retired as usual last night, and early this morning Mrs. Denmore heard a noise, and on investigation found the man trying to

Mrs. McCully Saw Chesapeake and Shannon in Halifax After Great Sea Fight

London, Ont., April 25—Mrs. Sarah McCully, died here this afternoon at the residence of her grandson, Ralph McCully. Mrs. McCully was born in Halifax in 1809, and celebrated her 101st birthday last February. She could remember when four years old, seeing the Chesapeake towed into Halifax harbor by the Shannon, and seeing the decks covered with dead and lying men. As a young woman she taught Sir Charles Tupper in Sunday School "And rascal he was, too," she said. In 1833 she moved to Port Stanley with her husband, and together they went into an unbroken forest, and made a home for themselves.

Delicious Doughnuts

Good doughnuts are good food. Made from the right flour they are not only a delicious treat but the combination of right flour with fat is distinctly nourishing. You see I put special emphasis on right flour. For it is very important. It means the difference between light, flaky, crumbly doughnuts that melt in your mouth and are easy to digest, and tough, rubbery greasy wads of dough, heavy, soggy, indigestible. Try making doughnuts from

"Royal Household" Flour

Notice how rich, soft, and flaky they are. And the reason is that "ROYAL HOUSEHOLD" being richer in high quality gluten than ordinary flour resists the absorption of too much fat in cooking. It doesn't get rubbery, makes a lighter dough, absorbs just enough of the fat for nourishment, but not enough for indigestion. The absolute uniformity of "Royal Household" enables you to get the same splendid results every time both in Bread and Pastry. Try "Royal Household". Find out for yourself. All grocers sell it or can get it on short notice.
