Baby Boy

Mr. and Mrs. Chas. Delano are rejoicing over the arrival of a baby boy on Friday last.

The Ice Bridge

The crossing on the ice at Chatham is good. Teams have been crossing freely the past few days.

New Paper at Bathurst

The Gloucester Northern Light is the name of Bathurst's new paper. Mr. C. M. Messerieu, formerly of Chatham, is the proprietor. It began life on the 17th inst. and presents a very clean appearance. It is quite newsy and we wish it every success.

Invites Lecturer

James R. Brown, of Toronto, an officer of the Eastern Canada Tax Reform League, and an expert on taxation problems, has been invited to give an address on taxation here under the auspices of the Men's Union of St. James' Presbyterian church, some date after January 11th, to be definitely announced later. Mr. Brown expects to speak in St. John and Moncton, after finishing his present tour of Nova Scotia and Prince Edward Island, and may also give addresses in Chatham, Campbellton and other New Brunswick centres.

Taking Up Smelt Nets

The smelts have moved down river, and the Chatham and Douglastown fishermen have taken up their nets and are following the fish.—World.

Fair was Fine Success

The Hotel Dieu Fair proved a grand success in every way. The total proceeds amounted to \$2027.64, ample evidence that the institution has the sympathy and good will of the people.—Gazette.

Accepts Resignation

The resignation of Adam Dickson as Scott Act Inspector, and policeman, was accepted by the Town Council at their meeting on Thursday night last. W. O. Chamberlain, of Campbellton was chosen as his successor.

Death at Loggieville

Mrs. Alex. Loggie, died at Loggieville, Friday morning, aged 85. She was the mother of Mr. James Loggie of Chatham; Albert, at home; Allen in Boston; Mrs. Geo. McArthur, Chatham, and Mrs. John Walls, Loggieville.

N. B. Hockey Leagues

It looks as if Sussex would have a chance to see some good hockey this winter, as a league is being formed which will contain teams from St. John, Sussex, Sackville and Amherst. A meeting is to be held in Moncton this week to organize the league and prepare a schedule of games. Fred. Erickson, Marysville, Chatham and Campbellton have formed a league and the winners in the two leagues will play off at the end of the season for a trophy to be donated by the Starr Manufacturing Co., of Halifax.—Sussex Record.

GORDON MCKENZIE WINS THE SKATES

Sells 320 Advocates in 13 Issues—John Thibideau a Close Second with 230 Sales

The Advocate's newsboy sales competition is closed, and during the short time this contest has been going on the very large number of 1193 copies of The Advocate have been sold by the twenty-seven boys, who have been competing for leadership. It must be noted that many of these young hustlers did not sell during the full time, or the total number would have been much higher. Some of them also were very young, and therefore not able to compete with the older fellows.

Taking it all through the result is very gratifying to the management, and it shows the standing of The Advocate with the town-people. Everything is being done to make this paper the leader of news on the North Shore, and its phenomenal growth during the past year, considering that all subscriptions have been unsolicited shows that the efforts put forth have not been unavailing.

With this issue we finish our forty-sixth volume, and will start in on our forty-seventh with the one determination to make this paper the friend of everybody and one to be desired by all.

The steady and unsolicited increase in our bona fide subscription list is proving to our advertisers the value of this paper as an advertising medium. The large amount of space taken up the past two issues is proof conclusive that The Advocate is considered equal to any other.

Later we will start another competition among the boys, and will also have other competitions running during the year.

Below is the list of newsboys and their standing:

Gordon McKenzie	320
John Thibideau	230
John Renan	80

END STOMACH TROUBLE, GASES OR DYSPEPSIA

"Pape's Diapepsin" makes Sick, Sour, Gassy Stomachs surely feel fine in five minutes.

If what you eat is souring on your stomach or has like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach-headache, you can get blessed relief in five minutes. Put an end to stomach trouble forever by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder. It's the quickest, surest stomach doctor in the world. It's wonderful.

To begin with, it is perfect. To the end it remains perfect—the Edison—

Blue Amberol Record

No musical-mechanical triumph has approached this remarkable invention of Edison. The new composition of which it is made catches and holds the natural beauty of tone of the world's greatest singers, orchestras and bands, and holds it after you have played it over 3,000 times.

The Blue Amberol is a perpetual, practically unbreakable record that reproduces in an amazing way the art of the performers. Don't miss the opportunity to hear it played at some of the Edison dealers listed below. You'll be welcome any day.

THE

Union Advocate

ESTABLISHED 1867

Issued Wednesday. \$1.00 Per Year

The Union Advocate, the second oldest paper in the Maritime Provinces, is fast becoming the leading paper on the North Shore. We are constantly in receipt of letters from subscribers at a distance, showing their appreciation of our efforts to publish a real live up-to-date paper. Our subscription lists are increasing daily, new subscriptions coming in unsolicited.

As an advertising medium, The Advocate is firmly taking its place among the best. If you, Mr. Merchant, are not among the number who are using its columns, why not talk the matter over with our representative and select a good space while you have a chance. We are at your service any time you wish to consult us, and would only be too glad to quote you rates. You will probably want to use a space for the Christmas season, so now is your opportunity. A telephone call will bring our representative to your store in ten minutes.

Our

Job Printing

Department

There is a difference between plain Job Printing and the kind of Printing that draws business. At one time any kind of a printed letter-head or envelope would do so long as the work was done by a printer. Good paper and high priced ink, the customer did not know enough about to be fussy. It is not so now. The customer to-day figures these items into his contract for printing the same as he does the quality of the goods he purchases to carry on his business.

This is the class of customers who have their printing done at The Advocate Job Dept. Only the best lines of writing paper are kept in stock and the highest grade of inks used for all work. There is not a CHEAP line in our office, for experience has taught us to carry only the best and the most serviceable.

People who leave their order for printing with this office, have that inward feeling of assurance that they are going to get just the kind of a job they want. They do not speculate—they know, and they are never disappointed. We spare no pains to give our customers just what they want, and that is one reason why this office has gained the reputation it has for turning out the highest class of Job Printing only.

If you are not yet a customer, join our list and have your letter heads and envelopes, or whatever nature your work may be, printed in an artistic manner. It does not cost any more for good printing than it does for the cheaper kind, and a small order is given as good care as a large one.

We are now in a position to handle all kinds of

CATALOGUE PRINTING

and would be pleased to quote prices for this class of work at any time. We guarantee strict satisfaction in all cases.

Remember that this office is in better shape to handle your Printing than it has ever been before, due to the fact that only competent printers are employed and the most modern machinery used.
