

Middle Aged Women

Are Here Told the Best Remedy for Their Troubles.

Freemont, O.—"I was passing through the critical period of life, being forty-six years of age and had all the symptoms incident to that change—heat flashes, nervousness, and was in a general run-down condition, so it was hard for me to do my work. Lydia E. Pinkham's Vegetable Compound was recommended to me as the best remedy for my troubles, which it surely proved to be. I feel better and stronger in every way since taking it, and the annoying symptoms have disappeared."—Mrs. M. Gooden, 923 Napoleon St., Fremont, Ohio.

North Haven, Conn.—"Lydia E. Pinkham's Vegetable Compound restored my health after everything else had failed when passing through change of life. There is nothing like it to overcome the trying symptoms."—Mrs. Florence Isella, Box 197, North Haven, Conn.

In Such Cases

FORMER KAISER WILL BE TRIED

Prague, March 23.—Former Emperor Charles I of Austria will be tried by a court of honor in Vienna. The trial will be held in the city of Vienna, and the Emperor will be charged with the responsibility of the war. The trial is expected to be a significant event in the history of Austria.

FOUR RUN SUBMARINES

LEAVE ENGLAND FOR U.S. Haverth, England, March 21.—Four submarines left England for the United States. The submarines are expected to arrive in the United States in a few days. The journey is expected to be a significant event in the history of submarine travel.

Wife Of Banker Killed In Garden

By Deadly Bomb Inhuman Outrage Fellows Threatening Letter Received by George Greenwood of Oakland, California Last Year

Wife Of Banker Killed In Garden By Deadly Bomb

Inhuman Outrage Fellows Threatening Letter Received by George Greenwood of Oakland, California Last Year

Oakland, March 23.—Mrs. George Greenwood, wife of the vice-president of the Savings Union Bank and Trust Company of San Francisco, was killed by a bomb explosion last night in the garden of the family home. Investigation failed to disclose whether the bomb was hurled at Mrs. Greenwood or whether she picked it up while out walking about the garden. Mr. Greenwood was ill in bed at the time. No one else was in the house except the servants.

According to the police, a letter demanding \$500 and threatening to destroy the home with dynamite unless the amount be paid, was sent to Mr. Greenwood in 1918. The letter was signed "The Friends of the Poor" and was received by Mr. Greenwood in the house except the servants.

U. S. Officials Arrest Counters

So-Called Hungarian Counters Sent a Threatening Letter to President Wilson

Washington, March 23.—U. S. officials arrested counters of the so-called Hungarian counters. The counters were found to be in possession of a threatening letter to President Wilson. The counters were arrested and the letter was seized. The counters are expected to be charged with the crime of threatening the President.

The Big Value in FLOUR

THE care exercised in selecting the wheat used in the making of "REGAL FLOUR" is one of the many efforts which has helped to secure for "REGAL" the reputation—big value in flour.

"The Original Red Belt"

"The Long-Grain Friction Belt"

¶ Dunlop "Gibraltar RedSpecial" is the proven benefactor of many an industry in this country which has felt the need of offsetting rising costs by speeding up production and by the elimination of belt trouble.

¶ "Gibraltar RedSpecial" is a real rubber belt. It may be compared to other brands of belts only as a powerful magnifying glass might be compared with the object whose imperfections it brings into the limelight.

¶ The first belts of this brand sold have been in use for years and have proven that scientific research—combined with approximately one quarter of a century's experience in the rubber goods manufacturing industry—could offer no more in belt merits than those features for which this Dunlop Product is so well and favourably known.

¶ We believe Dunlop "Gibraltar RedSpecial" cannot be made better. It is a red, frictioned-surface belt, constructed of the highest grade rubber, and specially-woven duck of tremendous tensile strength. This accounts for its great tenacity, its enduring flexibility and its absolute uniformity throughout.

¶ Provision has been made in "Gibraltar RedSpecial" against drying out and rotting. The richness of the rubber—compounded to retain its pliability indefinitely—waterproofs the duck as well as holds the plies securely together. It also serves to minimize internal chafing due to the constant bending of the belt. All unnecessary stretch is taken out in the manufacturing process.

¶ You will find Dunlop "Gibraltar RedSpecial" Frictioned-Surface Belting doing daily duty the year round in Pulp and Paper Mills, Iron Foundries, Steel and Rolling Mills, Saw and Lumber Mills, Mines, etc., in a truly efficient manner.

¶ We also specialize on Conveyor and Elevator Belts to meet every need.

The Dunlop Unreserved Guarantee

If you have a difficult drive anywhere in your factory drop a line to our Head Office, or to our nearest branch, and we will send a man experienced in belt engineering to consider your requirements. If it is an instance where "Gibraltar RedSpecial" Belting may be suitably employed we will recommend its use, and we will stand behind our recommendation with the fullest guarantee ever issued by a firm producing rubber products.

Battlefield Tours Commence June 1

Devastated Belgian Areas Left Intact—Bands of Toughs Roaming Country

Brussels, March 19.—Your correspondent is authorized to state that, beginning June 1st, the Belgian Government will allow all persons to visit the devastated areas and battlefields of Belgium. As reconstruction cannot begin immediately, the battlefields will be left intact.

Arrangements are being made by large automobile companies to fetch visitors from Brussels. The trip will include the ruins that were Dixmude, Neuport, the Four Sluice Gates which played a part in the history of the war at Ypres, and the cemetery of tanks beyond Kimmberg. The famous 380 M.M. gun which bombarded Dunkirk from a distance of 48 kilometers is still practically intact, hidden in a small wood, with a complicated railway system for transporting projectiles nearly six feet in length. It took the Germans nine months to set up the gun-emplacment.

A few canteens are selling coffee and drinks to travellers, although at present it is unsafe to travel without a revolver, owing to bands of roughs left by the Germans when retreating to mislead the Allied armies and who will still deceive the unwary traveller.

All the countryside is still covered with barbed wire and camouflage of various sorts. The German camouflage is distinguishable by the cubist touch. It has been decided to rebuild Ypres, although the ruins of the cathedral will probably be left.

Belgium is already counting on American visitors.

RIVER VIEW

We are having some pretty wet weather now and the roads are in bad condition. We are sorry to report that Mr. Isaac Story is in very poor health, and his many friends wish him a speedy recovery. Mr. Sandy Doak is doing a rushing business logging. Mr. Charlie Price of McNamoe spent the latter part of the week with Mr. Alex. Munn at this place.

Much Liquor Seized On Dead-Head Train

Moncton, April 2.—Two colored porters on a dead-head equipment train en route to Halifax, were arrested yesterday by railway police, charged with having liquor in their possession. The porters had two grips containing many bottles of whiskey, gin and other brands. Two other grips were also seized containing a large quantity of liquor, but the owners of the grips were not found. The inspector also found laudanum, panagoric and phenacetine.

Comfort of Body

Many children and adults are constant sufferers from cold hands and feet and are acutely susceptible to every chill and sudden climatic change. There is definite help in

SCOTT'S EMULSION

which furnishes fuel to warm the body, helps make pure, red blood and maintain the system in a state of robustness, so that the buffeting winds or the sudden chill of evening are enjoyed rather than feared. For comfort of body and buoyant health, take Scott's Emulsion.
