

The Dragoons and Artillery!

It will be admitted that the uniforms of the contesting armies overwhelm one with new ideas from a fashion point of view. There will be no monotony in the models of 1915. Canvas covered helmets and busbies are worn by the Dragoons, Guides, Hussars and Artillery Officers, hence canvas will be utilised in the fashioning of hats for summer wear. Frogging will come into its own again for decorative purposes, inspired by the grey frogged tunics of the Hussars.

The war affects the styles, and the Dry Cleaning process reduces the cost of ladies' apparel.
