Bethel A. M. E. Church is giving a
Moonlight Excursion on Thursday

TORONTO

The services at the B.M.E. Church
on Sunday, July 26th were very inter-
esting and well attended. The pastor
Rev. F. O. Stewart, gave two splen-
did sermons which were listened to
by a very attentive audience. The
subject at 11 a.m. "Listening to
Christ." The speaker claimed that
Christians should listen to Christ if
they would know His mind and follow
Him fully. The subject at 7 p.m.,
"Divine Presence" was enjoyed by all
present. The speaker portrayed
Isaiah's vision in the temple and his
call to service. God speaks to men
and women, when they are quietly
meditating upon life and its great
problems, but we never get a message
or vision until our eyes are opened
to the great things and our voice has
been purified from selfishness and
fear.

At the close of the evening services
of the three churches of Toronto on
Sunday evening, a united meeting was
held in the Grant A.M.E. Church
under the auspices of the Canadian
League for the Advancement of Col-
ored People. Mr. E. L. Cross, Bar-
rister at Law, and president of the
League occupied the chair and intro-
duced the speakers. Mr. John W.

Montgomery, who is the national pre-
sident of the League gave the open-
ing address, and in an optimistic vein,
pointed out to his audience the good
things in store for the people of our
race. There are many things en-
coughed in our charter said the speak-
er, that may not come to pass in my
days, but I truly believe that the day
will come when our race will enjoy
the rights and privileges that a race
of people are entitled to enjoy. In a
reminiscent mood, Mr. Montgomery
recalled the work of the Afro-Can-
adian Club, of Kent County, an orga-
nization that had been instrumental
in helping to remove some very un-
pleasant phases of the colored people
of that community in the days of long
ago. Rev. C. W. Carpenter, pastor
of Grant, A.M.E. Church, and an ar-
dent worker for race uplift, also gave
some very timely remarks and stated
emphatically the time had come when
our people should come together for
the good of the race as it is the only
way that any thing worth while can
be done to advance the race. Rev.
F. O. Stewart, pastor of the B.M.E.
Church made an eloquent appeal for
every individual of the race to unite
with the organization as a means of
furthering the work. He particularly
asked every mother and father to
sacrifice something for the sake of
their children's future. The aim of
the League said the speaker is to help
establish prestige for the race and if
the boys and girls are prepared we
believe that some good will be the
result from our efforts. Mr. C. L.
Burton, General Manager of R. Simp-
son Co. was unable to be present ow-
ing to an accident to one of his fam-
ily.
