NERVE & BONE LINIMENT and indian vegetable elixir. A CURE FOR RHEUMATIC AFFECTIONS.-This article is most truly named, as it penetrates to every nerve and sinew of the For sale at Low prices by person using it. Dr. Hewes is the author of it, and it has attained a reputation unequalled by any other article in Rheumatism. This externally, with the Indian Vegetable Elixir internally, is warranted to cure the most severe cases—to extend Cups and Saucers, &c. &c. contracted muscles, and bring feeling and sensibility to limbs long paralyzed and

The Sick-Headache, EITHER NERVOUS OR BILIOUS. Headache.-This disease is one from which arises more misery to the human family than is generally supposed; not being directly fatal, it is often neglected or persons resort so much to the use of purgatives and other medicines, as to impair their general health, and often induce fatal diseases. The article now offered

seems to have overcome these difficulties. While its effects are most powerful and immediate in curing an attack or keeping it off, it is so perfectly mild and innocent as to be used for infants with the greatest effect and safety, This has now been tested by so many of the highest members of this community as to require no further 3 proof.

> GARGLING OIL, FOR HORSES, CATTLE, AND OTHER DOMESTIC ANIMALS.

This valuable medicine was formerly 2 prepared by an English farrier, who, it is 3 believed, made known its formula to but 2 one person previous to his death, and that 2 gentleman has very politely transferred 3 the same to the present proprietor—since 3 which it has undergone a very material 3 improvement.

2 It is allowed by farriers, and all who 2 have used it to be decidedly the best ap-2 plication for horses and other domestic ani-2 mals, of any now in use and may be used with surprising results.
