and P. S. expired on the 21st, but no further  
orders have been received by M. C. R.

Thomas Journal.]—A very pleasant event took place  
Wednesday evening at 464 King street,  
where Mr. H. H. Gore and family, well  
known in this city, were tendered a fare-  
well reception by the London Christian  
Scientists. After a choice programme, an  
address was read by Miss Ida M. Gore, fol-  
lowed by the presentation of a handsomely  
bound copy of "Science and Health, with  
Key to the Scriptures." Miss Gore made  
a suitable and feeling reply. The family

they intend to make their future residence.—After a lingering illness of thirteen  
months there passed away on the 20th  
inst. at the family residence, 703 York

last week on business Detective Rogers, of  
Toronto, informed Mayor Cox that a man  
named Reid, who was the murderer of  
Jonathan Robinson, of Adelaide, died in  
the penitentiary not long since. Reid and  
some one else came from Sarnia  
through Warwick and Adelaide to London,  
and on this journey committed the murder.  
When London was reached Reid was taken  
into custody, confessed to having com-  
mitted a crime down east, was taken there  
and sentenced to a term of years in the  
penitentiary. The confession was made to  
escape the consequences of the Robinson  
murder. When confronted with the evi-  
dence of his guilt by the detective, and  
accused of the crime, Reid wilted at once.  
He was a noted crook. Who his companion  
at the time of the murder was has never  
been found out.

Offences Under the Postoffice Act.

Sir A. P. Caron, Postmaster-General, in  
a circular calls attention to the following  
sections of the Postoffice Act, 1886, (49  
Vic., chapter 33):Section 93—"Everyone who incloses a  
letter or letters, or any writing, intended to  
serve the purpose of a letter, in a parcel  
posted for the parcel post, or in a packet  
of samples or patterns, or in a newspaper  
posted to pass as a newspaper, or in any  
mail matter sent by post not being a let-  
ter, shall incur a penalty not exceeding \$40  
and not less than \$10 in each case."Section 94—"Everyone who with fraudu-  
lent intent removes from any letter, or  
stamp any mark which has been made  
thereon at any postoffice is guilty of a mis-  
demeanor."Section 108—"Every person who uses or

cutions have lately been instituted. In  
one case—of the cleaning of canceled  
stamps for the purpose of using them again  
—the culprit was sent to prison for a term  
of two years; in other cases fines were im-

department to prosecute rigorously all
