# Healthy Exercise

The most healthy exercise one can get is that of going to the bank often to deposit savings. It is helpful to the mind as well as to the body, as it makes the prospects of the future brighter.

This bank encourages deposits as small as \$1, and pays 3 per cent semi-an-Open an account with us and let us help you.

Cheese—Market has ruled firm, with a fair consumptive demand, and values are a shade higher on the week. There is a good demand for under-grade cheese, and supplies are insufficient to satisfy the same. We quote today Finest Canadian, September and October cheese, colored, \$45 6d to \$55 6d per cwt do, white, \$25 6d to \$55; earlier makes, riper qualities, \$55 to \$15; States half-meats, where showing quality, \$45 to \$58; lower grades, skims, dull, nominally \$65 to \$50s.

Butter—Choicest Danish produce has again been cleared at about last week's prices, New Zealand, Australian and Argentine butters are in good supply and

Engineer Tried to Stop Express. [Special to The Advertiser.]

Sarnia, March 22.-Two London firemen are dead as a result of a collision just east of the Tunnel yards at 2:30 this morning. The passenger train just pulled out and was getting up speed, when it was discovered by the blundered, and the train was on the London, instead of northeast for Stratford. He attempted to stop and slow down, but dead ahead a double header freight was approaching, on the same track, and was not noticed until it was too late. The freight engines were piled one above the other, were Hughes and Crapp, both of Lon-
