The moment you suspect kidney of your confidence.

Accept only Pape's Diuretic—50 cent treatment—any drug store—any where in the world.

writing-table on that unlucky evening when he had cut his hand, and I had taken him to Redpots to have it dressed, leaving him alone in Roger's den while I went to find my friend. Madly jealous at all times of any one who approached Natalie Orme as her lover, he became frantically so of Froude when I told him that she was absolutely engaged to him. then he had regarded it as a feint of ers to put him off. Hearing from me that it was true, I really believe that the man lost his head.

According to the gasped-out account to which we three listened, he had in an instant made up his mind that somehow he would put out of his the master of Holmedeane. Yorke's pistol, carelessly left in the open drawer, was as a weapon thrust open drawer, was as a weapon thrust into his hand. He took it, concealing it about him before Vorke's entrance. t about him before Yorke's entrance. He declared, with what truth I do not know, that in doing this he had no idea that he might cause suspicion to be thrown upon a perfectly innocent man. His one thought was revenge. He left Whittlesford that night, went o Bridgely Norton, and, returning the next morning, spent the day lurking about Holmedeane. Until dusk he did not see Fraser Froude at all. Froude came out, calling in at Cha-

vasse for a few minutes, and, on leaving it, turned toward Whittlesford. St. George dogged him all the way, keeping carefully out of sight until he turned down the river path. "Who can that be?" I said, pausing and Doctor Dizarte," I said, more as-we gathered, to demand that the other tonished still, holding the envelope in should give up his claim to the hand Styles was opening the door. In the my hand unopened, while the others of Natalie Orme. Something to that styles was opening the door. In the large many hand unopened, "Do you say you effect he did say. Froude laughed at him, taunted him, and called him a "nigger idiot." This insult of all others was the one which St. George's fierce-"A gentleman that's been staying fury as it was just then by jealousy, there for the last few days, sir. He could not brook. It was all over in an ly passionate temper, lashed into wild He could not brook. went out for a ride today and had an instant. There was a flash, a report,

went out for a ride today and has horse accident—was thrown, and his horse rolled over him. They say he can't in the show by the group of pollard in the show by the group of pollard we till morning."

Willows—shot through the heart, and done, and his suggestion of singing in my bistol rushed down the river path and be acted on.

"I will welcome any investigation, it is conducted, or ears which I can feel yet, I tore open left him lying there undiscovered unthe envelope and glanced over its til I, with Major Constable and the when," said Mr. Graydon today, "There contents.
