Cecil Rhodes said: -

"It has been my experience that the man who is careful of his own money will be careful of his employer's-that the possession of a savings account argues a foresightedness worth enlisting-in short, that the saving man is the safe man."

Every man should provide a fund for use in emergencies by having a little nest-egg laid by for "the rainy day." Start to build now. One dollar will open a deposit in our savings department and we pay 31/2% compound interest. Come in this week and get your book.
