First Arrivals Confirm the Early Fall Tendencies In Ladies' Suits

The formal openings have already taken place in Paris and have confirmed the tendencies that have been hinted at earlier. Sleeves are an important feature and skirtlines are just slightly longer, and waistlines posed slightly higher, but developed in a straight silhouette, are the chief notes. As regards line, sleeves are in narrower treatments.

Crepes, Velvet

In fabrics, crepe weaves are still given great emphasis, with velvet also much in evidence.

Brown, Red, Yellow

For daytime use, brown shades, in the tobacco and darker tones are sponsored, while for evening, carot red, mimosa and other light colors are featured.

New Fall Suits

The model pictured is a striking example of the new suits we are showing this week—the advance guard of our fall collection. Tricotine and broadcloths are featured in these models with coats about 38 inches long, notched collars, three and four button closing, beautiful tailored, belted models, plain tailored sleeve, satin lined, colors black, navy and brown, trimmed with strapping. Prices **\$45.00 and \$52.00**
