Missummer dulness was, the prevailing characteristic of the trading in stocks to day, and there was scarcely a single feature in the list of sufficient interest to warrant mention. There was a movement to cover some of the short contracts that were out out by professional traders yesterday afternoon on the rather during assumption that trouble was brewing with Germany over that Government's alleged interded interference in the American occupation of the Philippines. This covering movement carried prices up sharply in the early trading in some stocks, those which were the chiefest sufferers in yesterday's raid, hamely. Tobacco, and Brooklyn Transit, naturally being the most conspicuous in the recovery. Sugar was also a strong feature, though the trading in it Press Despatch. spicuous in the recovery. Sugar was also a strong feature, though the trading in it was not strikingly large. Apparently the practical abandonment by the opposition in the Senate to the annexation of Hawaii
