The Temperance Reformation society hel a concert in Temperance had last night i aid of the choir fund. The attendance wa good and the concert quite a success.

The attention of the city commission called to the state of an opening on Quren opposite Bay street, where there is a steady stream of slush running over the sidof the track, the front wheel having passed over his leg, but the second one had been

A gentleman brought into The Wo stopped by the resistance. He did not think office yesterday a snake twelve inches lon of the red adder species. It was fou d i that had the train been going at the rate of the snow opposite the church of the deepier in Bloor street. ten miles an hour, it would have been

A mistake occurred in an article a short time ago relating to the poisoning of a Mrs. Gowau, 40 Esther street. Dr. Fisher, not Dr. de la Hooke, as stated in the article, prescribed for MES. Gowan.

ten miles an hour, it would have been stopped by a boy's leg. There were several cars standing immediately to the west of the Princess street crossing, against the most eastern one of which the boy was leaning. The shunting engine came down from the west to take away the loaded cars and leave empty ones in their place. On being cross-examined by Mr, Hender-son, the father of the boy that was killed, he said he did not know whether there were any of the rai'w employees at the crossing Mr. McWhinnie of Sandwish, a student living in University college residence, was badly injured by the explosion of an oil lamp in his room late on Tuesday night. He has suffered a great deal of pain, but is now any of the railway employees at the cros when the accident occurred, and that it was customary for a man to stand at the crossing

Nominations were made at Parkdale yes-terday for a councillor in room of Mr. W. C. Beddome, W. C. Beddome, J. Norwich, J. Gowanlock, H. J. Brine, G. Tait, F. J. Gissing and T. W. Todd were nominated. All but the first two retired. and see that it was kept clear. The cross-ing at the foot of Princess street is a private one, being owned by Messrs. Ellas Regers & R. M. Cherryman, the next witness ex-

amined, said he arrived on the scene shortly after the accident occurred. He thought the Mr. James Duffy, proprietor of the hotel at 374 Church street, died yesterday moreing atter a six-weeks' illness with typhoid fever. Mr. Duffy was one of the leading troin was running at about four miles an hour when it passed him at the foot of Sherbourne street, a few yards west of where the political lights of St. James' ward, in which division he had lived twenty-six addident occarred. A number of other wit-nesses were examined, whose testimony but corroborated that of the witnesses who pre-ceded them At 10 30 the jary retired and returned in ten minutes with the following

The council of the Agricultural and Arts asse ciation of Ontario hold their next meeting on Tuesday, March 20, at 2 o'clock. A verdict : "That the causes of death were purely accidental, and that no blame can be ing on luesday, sharen 20. at 2 o clock. A joint meeting with the Toronto Electoral Division society will be held the same evening with the object of organizing a fat steck show to be held in Toronto this fall. attached to the railway cumpany.'

At the weekly meeting of the Toron'o Cloral society the following officers were appointed : President, Mr. Corbitt; vice-president, Miss E Scott; treasurer, Mr. Brown; secretary, Mr. Flint; committee, Mrs. Scott, Miss McBrien, Messrs. Rugg and Cromley; conductor and pinnist, Prof. J. F. Johnston.

Madame Modieska

drew prizes are to be made amenable to the law, and the high-toned promoters of the il-legal enterprise permitted to go free. If justice is to be meted out, let it be even-handed. WM HESDERMANN DEATH

handed. It was very gratifying to see that the public condemnation of debasing gambling under respectable anapices has been severe and outstoken. The highest mass nic au-thorities have disowned the London lotery. The p ess of the country has spoken of it as it deserved; and ministers of various denomizations have simply dene their duty in denouncing an evil that would speeduly become most injurious in its effects. The moral sense of the community has been aroused, and the healthy and hearty indig-nation expressed bodes ill to those fool-hardy enough to follow the example set by parties interested in the London masonic temple. It is entirely beside the mark to say that the strong expressions of adverse The enquiry into the cause of the death of William Henderson, who was killed on the esplanade on Monday, was resumed before Coroner Philbrick and a jury, at the morgue last evening. Mr. Falconbridge watched the evilence for the Grand Trunk. Benjamin Rogers was the first witness called. He said he did not see the acci temple. It is entirely beside the mark to say that the strong expressions of adverse opinion proceed from those who invested in the discreditable gambling and failed in drawing prizes. This is the veriest trifing it is not from such that condemnation on moral grounds is lakely to come. The indignant remonstrances are the outcome of the out-

grounds is likely to come. The indignant remonstrances are the outcome of the out-raged moral sense of the community who would, under no circumstances, counten-ance an evil that religion, reason, and com-mon-sense alike condemn. The law forbidding lotteries has been placed on the statute book to protect the people from their demoralizing effect. If the faro-bank and three-card monte are re-pressed by the strong hand of the law, all gift enterprise) particularly those that are launched under the hypocritical guise of benevolence and religion, cught to be pro-hibited. Why the framers of the act made an exception in iavor of lotteries connected with these objects is a puzzle. That re-ligion or benevolence must be of a spurious kind that cares to have such a questionable exemption in its favor. The sconer such a

exemption in its favor. The sooner such a satirical exception is removed from the act the better

skaters in the city, and nine men tood the mark. A good start was made, but before the first lap was covered Stewart had got the lead, with Elliott close behind. In the third lap Paulsen forged to the front, but although he distanced the others on the straight track he lost at the corners and was again thrown behind. After

the straight track he lost at the corners and was again thrown behind. After the second mile Paulsen again took the lead and kept it for five or six laps, when Elliott, who had been pushing him closely all the way, succeeded in passing him. From this point Paulsen seemed to lose heart and fell gradually behind until the end of the fourth mile, when he was a lap behind and fell out. The others had been saving themselves for the final spurf, and for the last three laps they were all in a bunch, but Elliott managed to break clear

and for the last three laps they were all in a bunch, but Elliott managed to break clear and got in first, with Stewart close at his heels. The others got in so close together that it was impossible to distinguish be-tween them. Herr Paulsen afterwards gave an exhibition of fancy skating such as has seldom been witnessed in Montreal.

Making it Warm for Slade.

It was three degrees below zero as the Erie train was leaving Wellsville, N. Y., on Monday morning. A brakeman said to a Monday morning. A brakeman said to a passenger: "That is Mace in the fur.coat and Slade with the Buffalo overcoat on." "Well," he was asked, "why doesn't Slade take off that coat or turn down the collar at least, so we can see how he looks?" "Oh, he is from a warmer climate, and can't stand the cold, but I'll make him take off that buffalo skip, or I'll burn the inside of the stoves out before we reach Olean." The dampers of both stoves were at once opened wide, in went a fresh supply of coal. The dampers of both stoves were at once opened wide, in went a fresh supply of coal, and all the ventilators of the car were closed. Half an hour later the car was pretty warm. Mace shifted his position to the car window, unbuttoned his coat and vest, and opened the *x*in-dow. Presently he looked back at Slade, who was taking a nap. Either the air proved too keen for Mace or he was afraid it might cause the Macri to take cold, for t might cause the Maori to take cold, for he closed the window. The brakeman came along and said : "People think it is pretty cold when they see Slade in his buf-falo skin coat, but I guess I can roast him out of it."

out of it." Nearly all the passengers in the car now Nearly all the passengers in the car now understood why the car was kept so warm. "Olean is the next stopping place for this train," the brakeman shouted. Up got the Maori and took off his fur coat. He was literally roasted out, the temperature being about 95 degrees. The now satisfied brakeman quickly closed the stove damp-ers. Oneset the vantilities and the stove dampdon masonic gift enterprise. What the re-

brakeman quickly closed the stove dampers, opened the ventilators, and acknow-ledged the smiles and nods of the pas-sengers with a bow which would have done credit to Chesterfield or Benjamin H. Brewster. Mace and Slade, in company with a the blace and Slade, in company with a the atrical troupe, were on their way to Brad-ford, Ps. They did not see the brakeman's joke. "I thought I could make it warm for him," said the brakeman; "the stoves are all right yet, but I say, sin't he a solid looking fellow, now that big fur coat is off of him?"
