Canada is a favored land.

The Fire Prevention League has decided to leave the anti-shingle bill over for a year, and to continue to E. Anderson and W. L. Duncan; educate the public on the matter. If Directors: Joseph Bryson, John F. the League would arrange to have Donald, Chas. Smith, A. G. Minielly, slate or other fire proof roofing S. C. Smale, R. S. Jardine, G. A. made cheaper than the shingles, it Dewar, John Canton, W. S. Steadwould not need to bother about the bill.

In connection with the income tax this year, each individual is saddled with the obligation to be his own assessor, inspector, and tax collector

To make a complete job of it, the Government should place on each the obligation of acting as policeman and judge, to arrest and sentence himself to jail for non-performance.

The Department of Records of the Dominion Government is busy just now receiving medals from Britain and shipping these out to various Canadian participants in the great war. Some 20,000 service medals were received in the last shipment. Only those who have seen service in France are entitled to the medals.

Dr. R. L. Maxwell of Little Rock, Arkansas, has had only two wives, but has married four times. He has accomplished this feat by a novel system of divorce and re-marriage. The first wife became the third, after he had once divorced her, married a second wife, and divorced the latter lady as well. Now having divorced the third wife, he took a fourth by re-marrying his second.

King Albert of Belgium is credited with the largest touring car in the world. The car is in two sections -an ordinary automobile in front, with a large coach-like trailer attached. It has accommodation for 15 persons and sleeping quarters for 10. The trailer consists of a kitchen. bathroom and a combination lounging and diring room. The machine is

### SNOWBALLS READY-MADE

Avon, Feb. 10-When Peter Finigin went out to do the chores one morning recently he was mystified by the sight of a large number of huge snow-balls scattered over his farm. On the 20-acre field there were hundreds of them, ranging in size from six to eighteen inches in diameter. Leading up to each snowball was streak of bare ground, showing the distance it had travelled in forming.

Mr. Finigin and neighbors who gathered to study the odd spectacle decided that the wind which had blown a gale the night before had whipped up small particles of "good

CATARRH CANNOT BE CURED with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a local disease, greatly influenced by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Catarrh Medicine is taken in-arrally and act through the blood Hall's Catarrh Medicine is taken in-ternally and acts through the blood on the mecous surfaces of the suy-sem. Hall's Catarrh Medicine was prescribed by one of the best physi-cians in this country for years. It is composed of some of the best blood purifiers. The perfect combi-nation of the ingredients in Hall's Catarrh Medicine is what produces such wonderful results in catarrhal conditions. Send for testimonials free.
