AYER'S PILLS.
FOR ALL THE PURPOSES OF A
FAMILY PHYSIC.

There has long existed a public demand for an
effective purgative pill which could be relied on as
sure and perfectly safe in its operation. This has
been prepared to meet that demand, and an exten-
sive trial of its virtues has conclusively shown with
what success it accomplishes the purpose designed.
It is easy to make a physical pill, but not easy to
make the best of all pills—one which should have
none of the objections, but all the advantages, of
every other. This has been attempted here, and
with what success we would respectfully submit to
the public decision. It has been unfortunate for
the patient likelihood that almost every purgative
medicine is acrimonious and irritating to the bow-
els. This is not. Many of them produce so much
gripping pain and retension in the system as to more
than counterbalance the good to be derived from
them. These pills produce no irritation or pain,
unless it arise from a previously existing obstruc-
tion or derangement in the bowels. Being purely
vegetable, no harm can arise from their use in any
quantity; but it is better that any medicine should
be taken judiciously. Minute directions for their
use in the several diseases to which they are ap-
plicable are given on the box. Among the blood
and skin diseases which have been speedily cured by them, we
may mention Liver Complaint, in its various forms
of Jaundice, Indigestion, Leucorrhoea, and Loss of Ap-
petite, Lactation, Irritability, Bilious Headache,
Bilious Fever, Fever and Ague, Pain in the Side
and Loins; for, in truth, all these are but the con-
sequences of diseased action in the liver. As an
aperient, they afford prompt and sure relief in Con-
stipation, Piles, Colic, Dysentery, Hemorrhoids, Stric-
ture, and Scoury, Colds with soreness of the body,
Fluor and impurity of the blood, in short, any
and every case where a purgative is required.
They have also produced some singularly suc-
cessful cures in Rheumatism, Gout, Dropsy, Gravel,
Erysipelas, Eruption of the Skin, Pains in the
Back, Stomach, and Side. They should be freely
used in the spring of the year, to purify the blood
and prepare the system for the change of season.
An occasional dose stimulates the stomach and
bowels into healthy action, and restores the com-
plicity and vigor. They purify the blood, and by their
stimulant action on the circulatory system, reno-
vate the strength of the body, and restore the
wasted or diseased energies of the whole organism.
Hence an occasional dose is advantageous, even
though no serious derangement exists; but the ne-
cessary dosing should never be carried too far,
as every purgative medicine reduces the strength,
when taken to excess. The doses are such that
a physician is required cannot be enumerated here,
but they suggest themselves to the reason of every
body, and it is confidently believed this pill will
answer a better purpose than any thing which has
hitherto been available to mankind. When their
virtues are more known, the public will no longer
doubt what remedy to employ when in need of a
cathartic medicine.

Stammering Cured!

DR. BRONSON, AND C. C. BEERS.
ARE happy in announcing that STAMMER-
ing can be PERMANENTLY CURED by
Medicine and Vocal Gymnastics. It is first treat-
ed as a Nervous Disease, (like St. Vitus' Dance,
Epileptic Fits, &c.) and then the habit, incident
to the disease, is corrected by exercises in Elo-
cution. Mr. Beers has been an inveterate stam-
merer for thirty-five years; has attended many
institutions for the cure of stammering, and ex-
pended hundreds of dollars without any perma-
nent benefit, but cured himself, 18 months ago,
and has ever since remained so: With the
same means, we have cured others, to whom we
would gladly refer any applicants—not having
failed in a single instance. Being satisfied from
reason, experience, and observation, that stam-
mering is the effect of a Nervous Disorder, and
can be perfectly cured by the above means in the
course of two or three weeks, we assure all in-
terested in these gratifying results, and guaran-
tee a permanent cure, or refund the small fee
paid in advance. Those desiring further infor-
mation on these subjects, (including terms,
guaranty, &c.) can obtain it from our New
Work, just issued, on Stammering, its Effects,
Causes and Remedies: Illustrated by One Hun-
dred Engravings. Price, One Dollar; or on the
receipt of which the Book will be sent without
expense, and the money that is paid will be effec-
tively in the bill for treatment. Board, etc, fur-
nished on reasonable terms—Address BRONSON
& BEERS, 180, Washington-street, Boston, Mass.
