MILLION TOURISTS CAME TO QUEBEC.

250 000 Automobiles Entered Province In 1925—Leit \$20,000,000

Quebec .- During the touring season

of 1925, 250,000 automobiles entered the province of Quebec from the Uniinces. This estimate has been pre-pared by the Quebec Automobile Club which draws its information from official and semi-official source While the figures are not of a strictly nade to gain accurate information of cars entering from other province ement of cars. It is generally conceded that fou

ersons per car is a fair number on which to estimate the number of passengers carried by cars comin to this country, and with this as basis it would appear that one mi of Quebec by automobile during 1925 Each of these is estimated to spent at least twenty dollars, Quebe erefore benefitted to the extent estimated nearly \$4,000,000 came to the city of Quebec. Of the Million people who watere

the province, at least three hundr housand came to Quebec city,
