VREELAND'S

'ELECTRO' ARSENATE OF LEAD

(FOR CONTROL OF ALL LEAF-EATING INSECTS)

costs a trifle more than other brands, We
 can send you five distinct reasons why it
 should cost a great deal more.

IT ALWAYS PAYS TO BUY THE BEST

"ELECTRO"

is guaranteed to contain 20% arsenic at an
 average of 40% water.

We will send free three Agricultural Experiment
 Station bulletins for 1907, 1908 and 1909, giv-
 ing analyses of various brands on the market
