Messrs. J. S. Pearce & Co.

Gentlemen,—I have just got through handling over my birds, especially those intended for the fall and winter shows, and am glad to be able to say that I have never before found them so free from insects as they are this year. I would just say that the **direct cause of this is that I treated them with Pearce's Electric Louse Killer** according to directions. You have the best article of its kind that I have ever used. Yours truly, WM. McNEILL,
