A Profitable Investment

If you would do a good business, you must advertise. Small ads are all right; but for large results, there is no doubt that a whole page advert is **THE THING**.

There is more business done in these days through the mail than in any other way. You will have a good share of this business if you will only bring yourself before the public's attention.

This Journal goes before a reading, a thinking, class of people.

Your ads are made bold and striking with our new type and the compact form of the pages.

People always preserve a magazine like this, which is an immense advantage to advertisers.

This Journal now goes all over the world, and is growing rapidly in every way.
