ADVICE TO MOTHERS.—Mrs. WINSLOW'S SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer of pain; it produces natural, quiet sleep by relieving the child from pain, and the little cherub smiles as "bright as a button." It is very pleasant to taste. It soothes the child, softens the nostrils, relieves all pain, relieves wind, regulates the bowels. It is the best known remedy for diarrhea, whether arising from teething or other causes. Twenty-five cents a bottle.
