GALT.

We are the only manufacturers in Canada
of the now well-known

SCIENTIFIC ALL IRON WIND MILLS

Adapted for Cutting, Pumping and Grinding,
and all general power purposes. The late
very severe storms have demonstrated the
need of a mill practically storm-proof, and the
results given by our mill have been entirely
satisfactory; not a mill has been damaged
without the derrick blowing over or breaking.
Intending purchasers bear this in mind and
write us for prices.
