

TWO VOLUNTEERS KILLED BY SUNSTROKE.—A deplorable case of sunstroke occurred at Belton Park, near Grantham, last week. On that day the Volunteers from the neighbouring countries assembled for inspection by Col. Wombwell. The Robin Hoods, from Nottingham, are said to have excelled the soldiers of the line in the drill, but one of the captains had to be carried off the field, and he has not yet fully recovered from the effects of the heat. Before the whole body of Volunteers marched to the park, which is situate within two miles of the railway station, the bandmaster of the March Rifle Corps fell and immediately expired. It is also understood that another death has happened, and from 50 to 60 men altogether suffered from the heat and were carried to hospitals provided, where, under careful medical attendance, they recovered. Such an occurrence as this should suggest to the authorities the propriety of either drilling their men in seasonable weather, or providing them with sufficient protection from the heat. In this case several thousand men had a march of two miles to the review ground, and a very heavy drill when they reached the park.

THE CANADIAN ANNUAL REGISTER

EDITED BY HENRY J. MORGAN.

(The Montreal Printing and Publishing Company, Printers.)

It is believed by the undersigned that the time has arrived for the publication in Canada of an ANNUAL RECORD OF PUBLIC EVENTS, similar to that which has been so long published, and so well known in England. The rapid strides of the Dominion are attracting the attention of the civilized world. It will be the aim of the Editor to chronicle, each year, the leading events so rapidly succeeding each other in the formation of our national character and national greatness.

The Editor proposes to commence with the birth and infancy of the Canadian Confederation. The first volume of his Register will therefore contain the following:—

- I. The Political and Parliamentary History of 1867, including:
 1. A Preliminary Sketch of the Proceedings in the B. N. A. Provinces in 1861-65 and '66 which led to Confederation.
 2. An Account of the London Colonial Conference of 1866-67.
 3. The Debates of the English Parliament on the Union of the B. A. Colonies, &c.
 4. The formation of the Local Governments.
 5. The General Election and its Issues, with the names of the successful and unsuccessful candidates, and the number of votes polled for each respectively.
 6. A Sketch of the Business of the Dominion Parliament, and of the several Local Legislatures with full and accurate reports of the principal speeches delivered during the Sessions of those bodies.
- II. The Financial Affairs of the Dominion.
- III. The Church in Canada.
- IV. Retrospect of Literature, Art and Science.
- V. Journal of Remarkable Occurrences.
- VI. Promotions, Appointments and Changes in the Public Service; University Honors, &c.
- VII. Obituary of Celebrated Persons.
- VIII. Public Documents and State Papers of Importance.

It is hoped that the undertaking will receive that encouragement which its importance deserves. The annual history which the Editor proposes to publish will be of great value to all interested in the future of our country.

Should the Register be as well received as the Editor hopes, he will spare no effort to justify future support. All that labour and impartiality can accomplish will be done to ensure the success of his work. He has been promised assistance by men in different parts of the Dominion whose capacity is undoubted. He intends, with as little delay as possible, to prepare the volumes for 1867 and 1868.

The volume for 1867 will contain 350 pp., R. 8vo., and will be bound in cloth.
Price Two Dollars.

BREAKFAST.—EPPS'S COCOA.—GRATEFUL AND COMFORTING.—The very agreeable character of this preparation has rendered it a general favourite. The *Civil Service Gazette* remarks:—"The singular success which Mr. Epps attained by his homoeopathic preparation of cocoa has never been surpassed by any experimentalist. By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills." Made simply with boiling water or milk. Sold by the Trade only in 4lb., 1lb., and 1 lb. tin-lined packets, labelled—JAMES EPPS & Co., Homoeopathic Chemists, London.
