Chateauguay Basin, 23rd May, 1850.

FOR SALE, Two Vols. of the *Witness* for 1849, complete and bound if required.

ALSO, One or Two bound vols. for each previous year.

IMPORTANT TO TEMPERANCE COMMITTEES, AND TEETOTALERS GENERALLY.

THE CANADA TEMPERANCE ADVOCATE, published fortnightly, price 1½d per number, or 2s 6d per year, paid in advance.

The *Advocate* is the oldest teetotal periodical in the Province, and has from the first taken clear and decided ground on the Temperance question.—Whilst its enunciation of Temperance principles will continue to be of a thorough-going character, the utmost care will be taken to prevent anything appearing in its pages inconsistent with the most enlarged feeling of Christian charity.

Individual teetotalers are urged to purchase this periodical on the grounds of duty to the cause and benefit to themselves, and to send it gratuitously to such of their relations, friends, or ministers, as they are wishful should join the Temperance Society. This plan has been productive of the most beneficial results.

"It was," says Dr. Campbell, of London, "by this valuable organ, (referring to the *National Temperance Advocate*, published by the British Association for the Promotion of Temperance,) gratuitously sent to us, and by this alone, that our attention was first directed, in good earnest, to the subject of total abstinence."

Temperance Committees are entreated to supply it to all in their respective local ties who may be supposed by their station or office to influence public opinion.

All orders and remittances to be addressed to J. C. BECKET, Printer and Publisher, Montreal.
