

COMMITTEES ON UNION.

A meeting of the Committees on Union of the Synods of the Free Church and the P. C. of Nova Scotia was held in the Free College in this City on Thursday last. There were present on the part of the Presbyterian Church, the Rev. Messrs. Murdoch, Bayne, Professor Ross, and McGregor; and Charles Robson and David McCurdy, Elders. Of the Free Church Committee there were present Rev. Professor King, Messrs. McKnight and Murray and Mc Kay. Several other members would have been present, had it not been for the state of the roads. Some had left their homes, and were compelled to return. Messrs. Murray and Mc Kay were unable to be present till the evening.

Our readers will be delighted to learn that the results of the Conference have been most satisfactory in every respect. The Committees were able to come to an agreement with regard to every particular. We reserve particulars for a future occasion. The Conference was

closed by singing the 133rd Psalm and by prayer by Rev. Professor King.—*16.*

STUDENTS' MISSIONARY MEETING

The Students of Theology connected with the Presbyterian Church of Nova Scotia, some years ago formed themselves into a Society for missionary purposes. They hold public meetings in the different congregations of the body to which they belong, deliver addresses and take a collection. Three of these young men, Messrs. Falconer, Pitbladd and Laird, addressed a meeting on Monday evening last in Poplar Grove Church. The evening was unsuitable, as Temperance Hall presented an unusual attraction in the public exhibition of the progress made by the Deaf and Dumb. The Sons of the Prophets had therefore but a small audience. The speeches were good, the persons present deeply interested, and the collection raised amounted to Three Pounds Six Shillings. Go on young men and you will have a larger audience, and receive a better collection at your next visit.—*16.*
