A NOTED BUT UNTITLED WOMAN.

[From the Boston Globe.]

Many Efforts—

This is a good likeness of Mrs. Lydia E. Pinkham of Lynn, Mass., who above all other human beings may be truthfully called the "Dear Friend of Woman," as some of her correspondents love to call her. She is zealously devoted to her work, which is the outcome of a life-study, and is obliged to keep six lady assistants, to help her answer the large correspondence which daily pours in upon her, each bearing its special burden of suffering, or joy at release from it. Her Vegetable Compound is a medicine for good and not evil purposes. I have personally investigated it and am satisfied of the truth of this.

On account of its proven merits. It is recommended and prescribed by the best physicians in the country. One says: "It works like a charm and saves much pain. It will cure entirely the worst form of falling of the uterus, Leucorrhoea, Irregular and painful Menstruation, all Ovarian Troubles, Inflammation and Ulceration, Floodings, all Displacements and the consequent spinal weakness, and is especially adapted to the Change of Life."

It permeates every portion of the system, and gives new life and vigor. It removes faintness, flatulency, destroys all craving for stimulants, and relieves weakness of the stomach. It cures Bloating, Headaches, Nervous Prostration, General Debility, Sleeplessness, Depression and Indigestion. That feeling of bearing down, causing pain, weight and backache, is always permanently cured by its use. It will at all times, and under all circumstances, act in harmony with the law that governs the female system.

It costs only \$1. per bottle or six for \$5., and is sold by druggists. Any advice required as to special cases, and the names of many who have been restored to perfect health by the use of the Vegetable Compound, can be obtained by addressing Mrs. E., with stamp for reply, at her home in Lynn, Mass.

For Kidney Complaint of either sex this compound is unsurpassed as abundant testimonials show.

"Mrs. Pinkham's Liver Pills," says one writer, "are the best in the world for the cure of Constipation, Biliousness and Torpidity of the Liver. Her Blood Purifier works wonders in its special line and bids fair to equal the Compound in its popularity.

All must respect her as an Angel of Mercy whose sole mission is to do good to others. Philadelphia, Pa. Mrs. A. M. D.

Old Dr. Johnson was a benefactor. Seventy-five years ago he invented what is now called Johnson's Anodyne Liniment the wonderful success of which in the cure of diseases of the head, throat and lungs is truly astonishing. No family should be without it.

Thousands of dollars might be annually saved to farmers if they would give freely of Sheridan's Curative Condition Powders to their horses, cattle, sheep, hogs, and fowl. They prevent disease and promote the growth. We said Sheridan's. Those put up in large packs are utterly worthless.

The Engineer states that a great rise has taken place in the price of ivory, the demand for which so greatly exceeds the supply that there are some grounds for fear that the elephant may be added to the category of extinct species.

On Thursday, May 18, the Duke of Edinburgh lighted up for the first time the new Eddystone lighthouse. The ceremony was preceded by prayer offered by the Rev. Dr. Wilkinson, vicar of St. Andrew's, Plymouth.

For Severe Coughs and Lung Complaints.—From A. J. Merrill, of Canton, Pa.—

Gentlemen—About ten years ago, after having had a severe attack of the measles, I was troubled with a severe cough and was threatened with consumption. My father having died at the age of thirty-one with consumption of the lung, and my aunt having been carried off with the same complaint, it seems to be hereditary in our family. At the time alluded to, I was induced to buy a bottle of Dr. Wistar's Balsam of Wild Cherry, and can say conscientiously, I believe it saved my life. I was blacksmithing at the time, and often felt pains in my chest and lungs, which the Balsam relieved. I cheerfully give this statement, and hope you may have success with so beneficial a preparation. 50 cents and \$1 a bottle. Sold by all druggists.

Decline of Man.—Nervous Weakness, Dyspepsia, Impotence, Sexual Debility, cured by "Wells' Health Renewer." \$1.

The damage done by the Anti-Jewish movement, including houses, breadstuffs, and other property destroyed, and money taken away by the emigration of Jews, amounts to \$170,000,000, all lost to Russia. Add to this the prevention of labor and profit, not only to Jews but others, and the general stagnation of business, and the damage will swell to many millions more.

JUST AT THE WRONG TIME.—Mr. Robert Wilson, of the City Surveyor's office, and Street Commissioner of the Eastern Division for the Board of Public Works, Toronto, Ont., who is very fond of shooting, says: "To lose a duck hunt is a loss for which there is no adequate recompense. This misfortune lately overtook me. The boys got together recently and made arrangements for a good hunt. At the time the arrangements were entered into I was in good health generally; but, just as the shooting was to take place, my old enemy, the rheumatism, came back to stay with me awhile again, and I had to forego the pleasure. The rheumatism has been a source of great bother to me, and I have done a great deal of doctoring for it, without much good. When this last attack came on me and crippled my hands so that they were drawn up, a friend of mine recommended St. Jacobs Oil, the Great German Remedy. I tried it, I am happy to say, and the result is that I am now cured and as well as ever. St. Jacobs Oil succeeded where more than a score of other liniments and medicines had failed."

The term hydra may be used to represent any manifold evil. If you would battle successfully with this many-headed monster of disease you will find it expedient to keep Mrs. Pinkham's Vegetable Compound always on hand.—Dr. Banning.

A large lacustrine canoe, in excellent condition, has been found near Bex, 4,000 feet above the sea level, and nearly 3,000 feet above the Valley of the Rhone. No lacustrine relics have ever before been met with in Switzerland at such an elevation.

Liver, Kidney and Bright's Disease.—A medicine that destroys the germ or cause of Bright's Disease, Diabetes, Kidney and Liver complaints, and has power to root them out of the system, is above all price. Such a medicine is Hop Bitters, and positive proof of this can be found by one trial, or by asking your neighbors, who have been cured by it.

The following statement, prepared by Mr. Mulhall, an eminent English statistician, giving the average distribution per family of the wealth of Great Britain in 1840 and 1877, shows that the socialistic cry, "the rich grow richer and the poor grow poorer," is an absolute fallacy:—

Table with 3 columns: Year, Rich classes average per family, Middle class, Working class. 1840: Rich \$144,100, Middle 7,195, Working 220. 1877: Rich \$129,015, Middle 5,045, Working 430.

* * * * * Presumption begins in ignorance and ends in ruin." On the other hand, the production of Kidney-Wort began with wise cautions and scientific research, and its use ends in restoring shattered constitutions and endowing men and women with health and happiness. "My tormented back," is the exclamation of more than one poor hard-working man and woman; do you know why it aches? It is because your kidneys are overtasked and need strengthening, and your system needs to be cleansed of bad humors. You need Kidney-Wort.

It is estimated that the total out-turn of the Indian tea crop of 1882 will be 51,619,000 lbs.; shipments to Australia and America will probably amount to 2,000,000 lbs.; the local consumption to 1,500,000 lbs.; and 48,000,000 lbs. will probably be exported to the United Kingdom.

Fear Not.—All kidney and urinary complaints, especially Bright's Disease, Diabetes and Liver troubles, Hop Bitters will surely and lastingly cure. Cases exactly like your own have been cured in your own neighborhood, and you can find reliable proof at home of what Hop Bitters has and can do.

The John Bull says—"It is an undoubted fact, for which we can vouch, that Mr. Parnell has received from the Secret Revolutionary Tribunal a formal notice of his trial and condemnation to death. We hear that he now scarcely ever leaves his residence, and then only under police protection."

No family Dyes were ever so popular as the Diamond Dyes. They never fail. The Black is far superior to logwood. The other colors are brilliant.

FOR DYSPEPSIA, WEAKNESS AND DEBILITY.—From George S. Bixby, of Epsom, N. H.: "Having received great benefit from the use of Peruvian Syrup, I am willing to add my testimony in its favor. I became so much reduced in health and strength as to be a mere skeleton of my former self. On being released, I was a fit subject for a Northern hospital, where I remained some two months, and then came home. My physician recommended and procured for me several bottles of Peruvian Syrup, which I continued to use for several weeks, and found my health restored, and my weight increased from ninety pounds to one hundred and fifty, my usual weight, and I have been in usual good health ever since. I can cheerfully recommend it in all cases of weakness and debility of the system, whether arising from an impure state of the blood, dyspepsia, or almost any other cause, believing it will in most cases give entire satisfaction." Sold by all druggists.
