LOTTERY

IN FAVOR OF THE CATHEDRAL AND BISHOPRIC OF THREE-RIVERS.

THE object of the present lottery is to assist in relieving the Cathedral from the heavy burden of debts by which it is still encumbered, and to offer the Bishop means to build a house suitable to the requirements of the diocesan administration. The urgency of such relief, and the confidence with which His Lordship relies on the generous assistance of the Faithful of the diocese will be easily understood from a brief statement of his actual position.

The first bishop of the diocese, the regretted Dr. Cooke, saw himself compelled to undertake the building of a Cathedral whilst the resources of a diocese so recently erected were yet inadequate to the expenditure of such an enterprise. Consequently, as the walls arose, debts increased; and when the edifice was closed in and dedicated to divine worship, it was found to be enveloped in a deficit of about £24,000.

To meet this enormous debt every sacrifice had to be accepted, every source was drained; and with the aid of a generous contribution from the clergy, and a yearly collection in all the churches of the diocese, the burden has been reduced in ten years from £24,000 to £7,500, and the interest from £1,500 to £350. The result is indeed gratifying and permits, to look upon the future without despair.

But the wants of the Bishopric are still great, and in one respect they have increased. The Bishop is yet without a house to lodge himself or his Assistants. His present residence, being that of the parish priest of Three Rivers, is quite insufficient to meet the wants of a Bishopric. It is too small to admit the necessary assistants, and in such a condition as to afford no fit hospitality to those who do the house the honor of a visit.

On the other hand, the yearly collections in favor of the Cathedral are to discontinue after the present year, and also another important source of aid. In this extremity, His Lordship appeals to the faithful of the diocese, asking that their last offering be more abundant. And in order to render their contribution less onerous, he offers them the advantage of the present Lottery, hoping and earnestly requesting that all those who have made their first communion shall take at least one ticket each, not so much indeed in view of the many chances of considerable gain, as from a sense of the duty for all to help their Bishop, and in order to participate in the benefit of a monthly Mass to be always offered for the benefactors of the Cathedral.

The following is a summary of the many valuable prizes to be drawn:—

Table with 2 columns: Prize description and Value. Includes items like 125 acres of land, fine horse, gold medals, and various cash prizes.

Caron, Vicar General, after which each person will be duly informed of what he may have won. Tickets are deposited with all the parish priests of the diocese, and will be sent by the undersigned to all friends and generous persons outside of the diocese, who would kindly participate in the good work.
