COE'S SUPER-PHOSPHATE OF LIME

AS A MANURE FOR ONIONS. Letter from Selby Lee, Warden, Shefford Co., C.E. December 23, 1864.

Dear Sir, I used your Super-Phosphate upon my garden the past season with most excellent results, especially with Onions. For several years I have been unable to succeed with onions, principally on account of the maggots which destroyed them.

MURRAY & LANMAN'S FLORIDA WATER. Ladies who wish to move in an atmosphere fresh with fragrance should always use this article at their toilet. A dash of it in the bath, or in a glass of water, if an odoriferous tooth wash is required, will be found eminently refreshing, and a sprinkle of it on the lace handkerchief before an evening party, will cause the fragrance of the fabric to attract more attention than even its rare embroidery.

TO RATIONAL INVALIDS. A few plain, earnest words, with such of you as suffer from indigestion, and its usual accompaniment, Habitual Constipation. You want relief without prostration, rapid cure without pain. The means of obtaining that relief, of accomplishing that cure, is tendered in BRISTOL'S SUGAR-COATED PILLS, the only cathartic and alterative in existence which reopens the obstructed passages of the bowels without a qualm or a pang, and restores to the stomach and liver the stolen from them by disease. This genial aperient never enfeebles any organ, or reduces the general strength. On the contrary, it infallibly renews the natural health of the digestive and secretory functions. Rarely will it be necessary to call in a physician, where this safe and all-sufficient family medicine is kept in the house. The pills contain seven doses each, and the pills have the great advantage over all ordinary purgatives—time does not impair their properties. They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SARSAPARILLA should be used in connection with the Pills. J. F. WISTAR'S BALSAM WILD CHERRY

Has been used for nearly HALF A CENTURY, With the most astonishing success in Curing Coughs, Colds, Hoarseness, Sore Throat, Influenza, Whooping Cough, Croup, Liver Complaint, Bronchitis, Difficulty of Breathing, Asthma, and every affection of THE THROAT, LUNGS AND CHEST

Including even CONSUMPTION. There is scarcely one individual in the community who wholly escapes, during a season, from some one, however slightly developed, of the above symptoms—a neglect of which might lead to the last named, and lost to be dreaded disease in the whole catalogue.

In this preparation, besides the virtues of the Cherry, there are commingled with it other ingredients of like value, thus increasing its value ten fold, and forming a Remedy whose power to soothe, to heal, to relieve, and to cure disease, exists in no other medicine yet discovered.

CERTIFICATE FROM L. J. RAGINE, Esq., of the Minerva. Montreal, C.E., Oct. 20, 1865.

S. W. Fowle & Co., Boston.—Gentlemen,—Having experienced the most gratifying results from the use of Dr. Wistar's Balsam of Wild Cherry, I am induced to express the great confidence which I have in its efficacy. For nine months I was most cruelly affected with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me, summer or winter. In October the symptoms increased alarmingly, and so reduced was I that I could walk but a few steps without resting to recover from the pain and fatigue which so slight an exertion occasioned. At this juncture, I commenced taking the Balsam, from which I found immediate relief, and after having used four bottles I was completely restored to health; I have used the Balsam in my family and administered it to my children with the happiest results. I am sure that such Canadians as use the Balsam can but speak in its favor. It is a preparation which has only to be tried to be acknowledged as the remedy per excellence.

Your obedient servant, L. J. RAGINE. CURE FOR WHOOPING COUGH.

St. Hyacinthe, C.E., Aug. 21, 1865. Messrs. Seth W. Fowle & Co., Gentlemen.—Several months since a little daughter of mine, ten years of age, was taken with Whooping Cough in a very aggravated form, and nothing we could do for her seemed in any way to relieve her suffering. We at length decided to try a bottle of your Dr. Wistar's Balsam of Wild Cherry. In three hours after she had commenced using it, she was greatly relieved, and in less than three days was entirely cured, and is now well. I have since recommended the Balsam to many of my neighbors, who have used it, and in no case have I known it fail of effecting a speedy cure.

You are at liberty to make any use of the above you think proper. If it shall induce any body to use your Balsam I shall be glad, for I have great confidence in it.—Yours, P. GUYTE.

Proprietor of the Courier de St. Hyacinthe. CERTIFICATE FROM A WELL-KNOWN CITIZEN OF CORNWALL.

Cornwall, O.W., Dec. 29, 1865.

Messrs. S. W. Fowle & Co., Boston.—Gentlemen.—Having experienced the beneficial results of Dr. Wistar's Balsam of Wild Cherry, in my own person and with other members of my family, in cases of severe coughs and colds, I unhesitatingly give my testimony, believing it to be the remedy per excellence for all diseases of the throat and chest, and would sincerely recommend it as such.—Yours, JOS. TANNER.

FROM A HIGHLY RESPECTED MERCHANT AT PRESQUOTT, O.W.

I with pleasure assert that Dr. Wistar's Balsam of Wild Cherry, is, in my belief, the best remedy before the public for coughs and pulmonary complaints. Having tested the article with myself and family, in cases of severe coughs and colds, for years, with uniform and unexpected success, I unhesitatingly recommend it with full confidence in its merits. None genuine, unless signed—J. B. BUTTS on the wrapper. SETH W. FOWLE & CO., Boston, Proprietors. Dec. 24, 1865.

N. H. DOWNS' VEGETABLE BALSAMIC ELIXIR.

A CERTIFICATE WORTH A MILLION. An Old Physician's Testimony. READ: Waterbury, Vt. Nov. 24, 1858.

Although I do not like the practice of Physicians recommending, indiscriminately, the patent medicines of the day, yet after a trial of ten years, I am free to admit that there is one medicine before the public that any Physician can use in his practice, and recommend to the public with perfect confidence; that medicine is Rev. N. H. Downs' Vegetable Balsamic Elixir.

I have used it myself with the very best success, and now when ever I am troubled with a Cough or Cold, I invariably use it. I can cheerfully recommend it to all who are suffering from a Cough or a Cold, for the Croup, Whooping-Cough, & all diseases tending to Consumption, and to the Profession as a reliable article.

I am satisfied of its excellence beyond a doubt, having conversed personally with the Rev. N. H. Downs about it. He informed me of the principal ingredients of which the Elixir is composed, all of which are Purely Vegetable and perfectly safe.

T. QUESNEL. South Granby, C.W. Mr. Henry's Gray Chemist, Montreal. Sir—I am most happy to state that my wife used Henry's Vermont Liniment, having accidentally got a needle-run under her finger nail. The pain was most intense; but by using the Liniment, the pain was gone in a few minutes.

CHAS. A. MADROL. This old, time-tried, standard remedy still maintains its popularity. When all others have proved inefficient, the Elixir alone continues to give satisfaction. Use it for COUGHS, COLDS, CATARRH, ASTHMA, CROUP, Incipient Consumption and all diseases of the Throat, Chest & Lungs. Thirty-one Years Ago

This Elixir made its appearance; and even then, in its primitive and imperfect state, produced such extraordinary results that it became, at once, a general favorite. Many have made it, what it really is a FAMILY MEDICINE.

For as more than half the diseases to which flesh is heir, originate from colds, so this may be considered a general preventive of all diseases, by removing the primeval cause.

ADULTS Should always keep this Family Physician at hand; and by its timely use save hundreds of dollars that would otherwise be swallowed up in discharging Doctors' fees.

This popular medicine is no longer an experiment. Thousands of people who have used it, bear witness to its superior excellence as a Liniment and a Pain-Killer. Full directions accompany each bottle. It may be used for RHEUMATISM, NEURALGIA, TOOTHACHE, HEADACHE, BURNS, SCALDS, BRUISES AND SWELLINGS, SORE THROAT, LUMBAGO, &c., &c., and may be used internally for CHOLIC and COLDS, CHOLERA MORBUS, BOWEL Complaints, DIARRHOEA, WIND CHOLIC, &c., &c.

Much might be said of its remedial properties and magical effects, but the limited space of this Advertisement will only admit of a general summary.

It is prepared with care; great pains being taken to select an exact proportion of each of its ingredients, in such a manner that the combination shall be, in every respect, at once more rapid in its operation, and more effectual than any other similar medicine.

A single Teaspoonful taken in warm water or other liquid, and the taste may dictate, checks Diarrhoea, Cholera and all Bowel Complaints within a most incredible short space of time.

AYER'S CHERRY PECTORAL.

Through a trial of many years and through every nation of civilized men, AYER'S CHERRY PECTORAL has been found to afford more relief and to cure more cases of pulmonary disease than any other remedy known to mankind. Cases of apparently settled Consumption have been cured by it, and thousands of sufferers who were deemed beyond the reach of human aid have been restored to their friends and usefulness, to sound health and the enjoyments of life, by this all-powerful antidote to diseases of the lungs and throat. Here a cold had settled on the lungs. The dry, hacking cough, the glassy eye, and the pale, thin features of him who was lately lusty and strong whistled to all but him. Consumption. He tried every thing; but the disease, insidiously, at his vitals, and shows its fatal symptoms more and more over all his frame. He is taking the CHERRY PECTORAL now: it has stopped his cough and made his breathing easy; his sleep is sound; his appetite returns, and with it his strength. The date, which pierced this side is broken. Scarcely any neighborhood can be found which has not some living trophy like this to show forth the virtues which have won for the CHERRY PECTORAL an imperishable renown. But its usefulness does not end here. Nay, it accomplishes more by prevention than cure. The countless colds and coughs which it cures are the seed which would have ripened into a dreadful harvest of incurable diseases—Influenza, Croup, Bronchitis, Hoarseness, Pleurisy, Whooping Cough, and all irritations of the throat and lungs are easily cured by the CHERRY PECTORAL, if taken in season. Every family should have it; and they will find it an invaluable protection from the insidious prowler which carries off the parent sheep from many a flock, the darling lamb from many a home. Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by all druggists and dealers in medicine. J. F. Henry & Co., Montreal, General Agents for Canada. Feb. 1, 1865.
