

1891. - SPRING. - 1891.

GORDON, MACKAY & CO.

Have pleasure in calling the attention of their Customers, and the Retail Trade of the Dominion, to their preparations for the approaching Season, which surpass in Extent, Variety, and Beauty of Design, all previous efforts, and in some of the Departments challenge comparison on every hand, notably:

**Prints, Dress Goods, Hosiery and
Gloves, Imported Woollens,
and Men's Furnishings.**

Their Staple Department also will commend itself to the keenest buyers. It embraces a full range of

THE - CELEBRATED - LYBSTER - GOODS,

And the Best Productions of other Canadian Mills.

Intending purchasers will find it profitable to visit the Warehouse and examine the Goods.

Spring Imports and Domestic Manufactures will be passed into Stock as soon as may be after the Great Discount Sale of Bryce, McMurrich & Co's Stock, already announced to commence on the 6th instant.
