BRIEFLETS.

Easter Greetings. Christ is risen!

Mr. Nicholas Bawlf, who is gaining strength daily, will start on a journey of convalescence to-morrow.

Monsignor Croskell, D.D., of St. Peter's, Levenshulme, Manchester (Eng.) is 93 and still in active work.

Miss Thomas, teacher of the Catholic school at Regina, resumed her duties on the 3rd inst., after her recent illness.

The Telegram says a young man 6 feet 7 inches in height joined the Salvation Army in Carman last Sunday. He ought to have joined the High Church.

The ice on the Red River and Assiniboine broke up last Thursday, April 12. Though the level of the water had risen two or three feet, it was still too low to make the breaking up interesting.

For the Easter Sunday services Rev. Father Hudson, S. J., rector of St. Boniface College, went to Mordeu; Rev. Father Blain, S. J., to Letellier; and Rev. Father Lebel, S. J., to St. Eustache.

The first girl candidate in West Australia who has passed with honors the senior examination of the Adelaide University was prepared by the Sisters of Mercy in the convent school at Perth. The successful pupil, Miss Louise Thiroux, was presented with a gold medal by the Right Rev. Dr. Gibney on the occasion of the distribution of prizes, which took place at the town hall after the result of the examination had been published. The premier was present, and a

It is scientifically affirmed, that in the thirty years which follow the change from the girl to the woman, beginning at fifteen and ending at forty five, the average woman spends ten years of that time in physical suffering caused by irregular periods, disagreeable drains, female troubles, or other derangements of the functions of the delicate female organs.

Think of it! One-third of the best years of a woman's life spent in a struggle with pain.

It is no wonder that women everywhere are full of unbounded praise and gratitude for Dr. Pierce's Favorite Prescription. It does away with all suffering due to the diseases of the organs peculiarly feminine. It regulates the periods, stops the disagreeable drains, heals inflamed and ulcerated conditions, and cures female weakness. It brings all the delicate female organs into natural, healthy and harmonious action. There is no opium or other narcotic, and no alcohol, whiskey or other alcoholic stimulant in "Favorite Prescription." Sick women are invited to consult Dr. Pierce by letter, without charge. Write freely. Every letter is treated as strictly private and sacredly confidential.

Mrs. M. F. Long, of Le Loup, Franklin Co., Kans., writes: "Words cannot express how grateful I am for your kind advice and good medicines. I have been in poor health more or less all my life. In the past nine years grew worse, and two years ago I was so poorly could hardly drag around. I consulted a specialist, and he said I had ulceration and that an operation would have to be performed. This did not seem necessary to me, so time went by, and I at last wrote to Dr. Pierce asking advice. I bought two bottles of 'Favorite Prescription,' two of the 'Discovery' and two vials of the 'Pellets' as advised. When commencing I weighed 119½ pounds, and after taking one bottle of each I was like a new woman. In one month I gained eight pounds. After taking two bottles each of the medicines named, I began to look like a woman and not like a wasted skeleton. That weary tired feeling all left me, and it did seem as though life was worth living."

large attendance of the public showed the interest taken in the proceedings.

John G. Holland, the inventor of the submarine boat, who lately received \$100,000 for his invention, is a Catholic Irishman.

Rev. Alfred Young, the celebrated Patrist author of "Catholic and Protestant countries compared," is dead in his seventieth year.

Rev. Father Beaudin, O. M. I., left last Monday for Wolsley, Assa., where he takes the place of Rev. Father Roy, who is going to British Columbia.

The remains of the late Dr. St. George Mivart have been placed in a vault at Kensal Green, a Protestant cemetery, permission having been refused to inter the body in the family grave at the Catholic cemetery.

Rev. Father Verlooy, C.S.S.R., returned last Monday from Rat Portage. He reports that one remarkable result of the two successive missions, one in English, the other in French, given in that parish, is that the number of communicants is considerably more than doubled. More than seven hundred persons received Holy Communion.

Father Von Heertum is back from a visit to his former parish in Wisconsin. With him came Father Brosson, a member of the order to which Father Von Heertum belongs, and which is being established in Canada. Father Brosson will have charge of the large colony of Neudorf, north of Grenfell, and will have headquarters at Regina, to cooperate with Father Von Heertum.—Regina Leader.

Too Busy to Go to Heaven.—There is a moral taught by the following which it might be well for many a father to take unto himself: "Mamma," said 3-year-old Freddy, "are we going to heaven some day?" "Yes, dear, I hope so," was the reply. "I wish papa could go, too," continued the little fellow. "Well, and don't you think he will?" asked his mother. "Oh, no," replied Freddy, "he couldn't leave his business."

The Tablet remarks that nearly 50 Protestant peers, i. e., less than 10 per cent. of their total number, have gone to fight in South Africa, whereas five out of 40 Catholic peers, i. e., more than 12 per cent., have shown the same practical loyalty. Out of 21 Protestant Dukes three have volunteered; there is only one Catholic Duke, Norfolk, and he has enlisted, giving up the post-mastership, a cabinet position which he filled with rare efficiency.

At the Cathedral on Good Friday in the singing of the Passion, Rev. Dr. Béliveau sang the part of the evangelist, Rev. Father Dorais, O. M. I., that of Our Lord and Rev. Father Cloutier that of the synagogue. At St. Mary's the part of the evangelist was taken by Bro. Lewis, that of Our Lord by Rev. Father McCarthy, O. M. I., and the part of the synagogue by Bro. Thomas. At the Immaculate Conception the various parts were distributed as on the previous Sunday; see our last issue.

On the 29th of this month four Oblate Fathers attached to the mother house at St. Sauveur, Quebec, will celebrate the 50th anniversary of their ordination. One of them, Père Grenier, founded the first parish church in St. Sauveur in 1853; two others, Pères Babel and Arnaud, are famous as missionaries to the Montagnais and Noscappé Indians; while the fourth, Père Royer, has preached missions and retreats for 40 years in various parts of Canada, and gave the

ecclesiastical retreat of St. Boniface diocese some years ago.

The Grey Nuns expect to move into the new boys' orphanage in the old presbytery of St. Mary's on the eve of the Patronage of St. Joseph, the third Sunday after Easter.

Miss Eliza Allen Starr, the famous Catholic poet and art critic, has received from the Holy Father a cameo of the Immaculate Conception, in recognition of her latest work, "The Three Archangels and Guardian Angels in Art."

Clarke Bros. and Hughes, the undertakers, have moved into the premises recently occupied by Paul Sala, a few doors north of their old stand. They have had this store entirely remodelled and renovated and it now presents a very fine appearance.

His Grace's sermon on the Passion last Friday is given elsewhere. Rev. G. Cloutier preached on the same subject the same evening in the Cathedral, Rev. Father Cherrier, in his own church. On Maundy-Thursday, the sermon on the Blessed Eucharist was given in the Cathedral by Rev. Dr. Béliveau, in St. Mary's by Rev. Father Drummond, S. J., and in the Immaculate Conception by Rev. Father Rousseau. On Easter Sunday morning Rev. Father Guillet, O. M. I., said a few words in his own church. Rev. Father Grenier, S. J., preached in the Cathedral, and in the evening Rev. Father Drummond preached at the Immaculate Conception.

Dear Sir,—For a number of years I have used and sold your "Dr. Morse's Indian Root Pills." I consider them the very best for "Family Use," and all customers speak highly of them.

For Small Boys.

The Sisters of Charity of St. Boniface, yielding to repeated requests from various quarters, have determined to undertake the management of a boarding-house for boys between the ages of six and twelve. Special halls will be set apart for them, where, under the care and supervision of the Grey Nuns, they will be prepared for their First Communion, while attending either the Preparatory Department of St. Boniface College or the classes of Provencher Academy. This establishment will be known as "Le Jardin de l'Enfance" (Kindergarten).

The results already attained in similar institutions of the Order give every reason to hope that this arrangement will fill a long felt want.

Board and lodging will cost six dollars a month. For the boys who attend Provencher Academy there will be an additional charge of fifty cents a month; and for those who take music lessons, \$3 a month.

Bedding, mending and washing will be extra. The Sisters are willing to attend to these extras on terms to be arranged with them. The boys who attend the Preparatory Department of St. Boniface College will have to pay the tuition fees of the College.
