<sup>1</sup> This category includes all channels of assistance, including bilateral aid, support for Canadian non-governmental organizations (NGOs) and international non-governmental organizations (INGOs), the Humanitarian Assistance Program, Institutional Co-operation, the Industrial Co-operation Program and the Canadian Local Initiatives Fund.

<sup>2</sup> Multilateral transfers of Canadian ODA, by country, made by the international financial institutions and the multilateral organizations, have been calculated from a coefficient, determined in accordance with withdrawals made in each country by each institution and then applied to the Canadian ODA paid for the same period to the same institution.
