Mr. Knowles (Winnipeg North Centre), seconded by Mr. Firth, moved,—That, in the opinion of this House, the government should give immediate consideration to the advisability of amending the Old Age Security Act and the Canada Pension Plan to provide for the pensions payable under these two acts to be available at age 60 to all persons who meet the other requirements of the said acts and who are not in or are prepared to withdraw from the labour market, and also to provide for the basic amount of the pension payable under the Old Age Security Act, at age 60 for those not in the labour market and to everyone at age 65, to be increased to \$200 per month, for this basic amount to be escalated each year by an amount that will enable pensioners not only to keep up with rising living costs but to share in rising living standards, and also to provide for the elimination of any means or income test from the Old Age Security Act, so

that the full pension thereunder will be recognized as the established right of all our people.—(*Notice of Motion No. 39*).
