

PROCEDURE, QUESTIONS OF—*Con.*

- Prevention of Fraud in Public Contracts—*Con.*  
*Speaker* decided that only grievances could be placed before the H. and Government on M. for Com. of Supply, and that a M. cannot be made relating to an Order of the Day, 1435.
- Readjustment of the Representation B. (*Sir John A. Macdonald*). M. for 2° objected to by *Mr. Blake*, the B. which was prop. for 2° not being the same that was submitted to the H. for 1°, quoting English authorities to sustain his objection. The *Premier* submitted that the objection taken by the leader of the Opposition could be taken in Com. of W.; but the *Speaker* sustained the objections and discharged the Order. B. withdn., 1330—1332.
- Stadacona Ins. Co. B. (*Mr. Casgrain*). Constitutionality of B. questioned (*Mr. Vallée*) as the legalizing of such a measure would interfere with the Civil Law of Lower Canada. Ruled (*Mr. Speaker*) that the constitutionality of a B. is not decided by the Chair but by Com. to which B. might be referred 48.
- Steamboat Inspection Act: M. (*Mr. McLelan*) for Com. of W. to consider Res. Objected to by *Mr. Mackenzie*, the proposition not having first been submitted to Com. of W. as laid down by the Rules of the H. *Mr. Speaker* decided that the prop. M. came sufficiently within the meaning of the Rule as generally understood and interpreted by late English practice, 1546.
- Trust and Loan Co. of Canada B. (*Mr. Kirkpatrick*). Amt. (*Mr. Béchard*) to M. for 3° objected to by *Mr. McCarthy* under the 67th Rule of the H., one day's notice not having been given; objection sustained (*Mr. Speaker*) 1080.
- Windsor and Pictou Branches of the Intercolonial Ry. B. (*Sir Charles Tupper*). On M. for 2°, Ques. (*Mr. Borden*) as to B. affecting private rights. Ruled (*Mr. Speaker*) that the B. having passed the 2° it was recognized as a public B., the H. having power to refer it to any tribunal it likes, but generally to Com. of W., 1544—1549.
