McCord Museum.  
21 May, 1934.

Dear Mrs. McMurray:-

I will place on file the correspondence you have sent to this office in connection with the demand for old documents and letters of the post-Confederation period.

Thank you also for the five documents (5) donated by Mr. Fred J. Claxton of San Francisco in April, 1933. These I will enter into the McCord Collection as usual and send the official acknowledgement from the University (which generally follows the letter of thanks).

Yours faithfully,

*Dorothy Warren.*

Assistant Curator.
