#### Railway and Traffic Matters

The C. P. R. has let a contract for extending its Northwestern branch from Yorkton westward.

from Yorkton westward.

Hon. Mr. Blair, minister of railways,
stated in the Dominion House on Monday that the government intended this
session to appoint a railway commission. Speaking on the subject afrewards, he said that the details had not
been decided by the cabinet.

wards, he said that the details had not been decided by the cabination. For there are examining the country between are examining the country between are examining the country between burn district, with a view of the capa-burn district, with a view of the road to that section. The propos-ed line would pass through the Ridding Mountains. The country is aiready Mountains. The country is aiready iength of the spur is 80 mile. Mackenize & Mann, of the Canadian Northern Railway, are negotiating for the purchase of the Island Railway, run ling from Victoria to Namimo, run ling from Victoria to Namimo, sion of that line to the exten-sion of that line to the capa-tion of the capacity of the capacity of the sion of the line to the capacity of the capa-city of the capacity of the capacity of the capa-city of the capacity of the mount harmonic manner of the capacity of the capacity of the mount Narrows, across which a ferry would be run.

R. A. Willie has returned to Winniper.

Mr. William extended visit in the east.

Mr. William and the state of the burning made as to the cause of the burning of the acctylene gas plant at Carberry,

Man., in which he was largely interested.

cested.

John Russell, superintendent of loans for The Toronto General Trusts Company, returned this week from a business trip in which he visited Milestone, Moose Jaw, Regina, Brandon and Portage ia Prairie. He says that wherever he has been throughout the country, a most hopeful feeling prevails, notwithstanding the drawbacks experienced in the matter of getting grain out.

We have a considered that the subject of the commercial Cable Company, spoke on the subject of wireless telegraphy at the annual meeting of the company, held in the work of the subject of wireless telegraphy at the annual meeting of the company held in the work of the subject of the subject
