Excursion to

## PINE BEACH

STOP 26, LAKE SHORE ROAD

TO-DAY,

### SATURDAY, OCT'R 15TH

Every man who has a home-owning feeling in his heart is invited to come with us in a special car to Pine Beach to-day. The weather man has been kind, and October has decked Pine Beach in the glory of Autumn. You will feel that this is a Health Excursion after you have seen and breathed Pine Beach for five minutes. The air is different—and the view of the lake and land is a cheerful tonic. Put on your hat and come with us as our guest.

A Home in the heart of the pines can be obtained at small cost on easy payments. You don't need to go to Muskoka or the Adirondacks for a new grip on life. The opportunity is here at your very door all the year round. Pine Beach lots are still within reach of every pocketbook and every Sunny-side car. Prices still range from \$8 to \$35 per foot. There are a few extra-desirable lots with a lake frontage for early buyers. Every improvement in roadways, streets and lakefront breathing spots is being arranged. Electric light is waiting at the gates, and the street car service is most convenient. Pine Beach can be reached from the city in about 35 minutes. Good building restrictions assure you that your home will be in excellent company.

CLOSE  
TO  
NATURE  
AND  
CLOSE  
TO  
THE  
CITY

The rush for Pine Beach Lots last Saturday was so great that we couldn't give personal attention to all the buyers. We regret this, and our sales force has been increased so that all home-seekers who come will be well attended by capable and courteous salesmen. Prices are still low—\$8 to \$35 per foot. Easy payments and easy terms may be obtained.

We have arranged the coupon below for your convenience. Kindly fill it out, detach it, and present it at Special Car at Sunny-side, to-day, at 2.30 or 3 p.m. It will reserve special free accommodation for you to Pine Beach and return.

#### COMMISSION FOR DETROIT

Project is on Foot to Change Style of Government.

DETROIT, Oct. 14.—A plan is on foot to substitute the commission form of government for the present mayor, city council and boards.

As proposed, it will be a combination of the Des Moines and Boston plans, including the election of a mayor and nine aldermen at large. These ten men would perform the duties of the estimators and other boards, devoting all their time to the work and would receive large salaries. If the movement crystallizes, it will be submitted to the voters in 1912.
