Vankieek Hill, Ont., Dec. 28.—The first game of the season was played in New Royal here to-night between Hawkesbury and Vankleek Hill. About 900 spectato: were present from both towns and vicinity to cheer on the players. At half time the score was 5 to 2 in favor of Vankleek Hill. the home team having the best of the game all thru the first half. The game was fast, but not much first-class hockey played. All players were after the rubber and did not keep their places as they should and some good chances were lost on both sides to score. Hawkesbury payed the better combination. In the second half Hawkesbury evened up the score three manures before time was up. Just when ih whistle sounded Vankleek Hill scored another, but it was not allowed. It was decided to play five more, first game scored decided to play five more, first game scored deciding the match. Vankleek Hill found the nets in four minutes, winning the game. Score 9 to 8 in favor of Vankleek Hill. The line up was as follows:

Hawkesbury (8): Goal, R. Larivere; point, R. Murray; cover-point, P. Doyle; rover, H. Hoffman; centre, W. Chambers; right wing, R. Fraser; left wing, E. McLaughlin, Vankleek Hill (9): Goal, H. Labrosse; point, J. Donovan; cover-point, Emoney; rover, W. Crooks; centre, G. Crooks; right wing, G. Matte; left wing, H. Cheney.

Umpires, B. G. Arthurs; timekeepers, Alex. Kennedy (Lachute), F. Jamieson (Vankleek Hill); referee, D. Brown, Montreal, who was very strict on rough play and impartial, as the side was decorated all thru the game with two men of each side. Hyrie.

Every member of the Deer Park Hockey
Club or aly wishing to join are requested
to attend practice to-night at Aura Lee
Rink, from 8 to 0. As Deer Park play two
games next week, this is the last chance
the players have of signing their certificates and handing them in. Deer Park expect to have three cracking good teams
this year, as besides having all of last
year's men, they have landed Rowland, Yeaman and Murray of last year's Ketchums
along with Crocker, Mara, Regan and Mitchell of the Young Torontos. Moffatt, who
played cover-point for the Cobourg Junior
O. H. A. team last year will also turn out
with the boys in black and white.

"Plastic Form" **Travelling Tweeds** That's the time to Sell I tell you which to buy, charging nothing for advice, a small brokerage should we execute your order.

There's scientific tailorship throughout which preserves the exclusive style and fit - no matter to what wear and tear the suit is subjected.

Each particular part of "Plastic Form" tailoring receives the entire attention of an

expert. He knows the disposition of his collarhis back-his cuff. He is able to attain just the curve—the exact "set" he desires.

When one considers these things—sees the perfect result—sees suits to choose, not in whole cloth, but as they will appear when worn, the whole effect—the custom tailor suffers from the contrast.

The most particular dresser will choose from these ready-to-wear garments with satisfaction and he can congratulate himself on saving much time, worry and money.
