DR. FLETCHER ON TRIAL TELLS A STRAIGHT STORY

Declares There Was Nothing Illegal Attempted—Considerable Character Evidence.

Rev. Laurence E. Skey, rector of St. Anne's Church, was among the witnesses called by the defence in the Dr. Fletcher trial now going on in the criminal assizes before Justice Anglin to give character evidence.

Both prosecutor and defending counsel have known of case has refused. Mr. Skey started to say, when the crown counsel halted him.

Mrs. Lillian Ward, the nurse in attendance on Josie Gould, the dead girl, at the time Dr. J. Harvey Todd was called in to assist Dr. Fletcher at the crisis, testified that only such treatment as was necessary to save the patient's life was given.

Dr. Fletcher was put in the box and told a straightforward story. He said he had with him in February, saying that the lad had brought up the Minnie Turner case, advising that he had a girl who was in trouble, as he thought, but he wanted to be sure, for if she were, he would marry her.

On Tuesday, however, her condition had become so critical that an operation was really necessary to save her life. He then called in Doctor Todd as a means of protecting himself.

He had been present at the post mortem examination conducted by Dr. Silvester Webster, a staff doctor of the Western Hospital, said that the time was too short for the girl to have died on Tuesday after being subjected to violence on Sunday.

The total number of collisions and derailments in the quarter now under review was 3964—2094 collisions and 1871 derailments, of which 337 collisions and 1261 derailments affected passenger trains. The damage to cars, engines and roadways by these accidents amounted to \$2,962,470.

You Can't Cure Constipation With a Whip

The cause of constipation is the use of harsh physic. It begins with the occasional use of salts and harsh pills. They irritate the bowels, as shown by the griping and pain.

Then Nature hardens that lining, just as she hardens the skin where you constantly irritate it. The lining of the skin—becomes calloused. Its natural functions cease. Then you take physic often—then larger doses.

Eventually the bowel lining grows so hard that you have chronic constipation. "Pills" can't cure that trouble, for they were the cause of it. You must do now what you should have done at first. Take nothing but Cascarets.

Cascarets are candy tablets. They are sold by all druggists, but never in bulk. Be sure to get the genuine, with C.C.C. on every tablet. The box is marked like this:
