HARRY BEEHIVE WINS THE KING'S PLATE

IDEAL OPENING CONDITIONS NEW STAND AND BIG FIELDS PLEASE WOODBINE CROWD

Dorothy Dean Pulled Away From Davies' Crack and Won the Opening Race, Paying Nearly Fifteen to One—Big Jam at Mutuel Machines—Duke and Party Early Arrivals

By a Staff Reporter.
WOODBINE PARK, May 23.—The four scratches left a field of eleven for the first race, the trial plate that inaugurated the spring meeting and the new steel stand. The crowd came early and were a satisfied lot for they had the finest of weather, and unlike the former years, every one had a seat, and all had the right selection for the King's Plate. The attendance was estimated at 15,000 when the bugle blew the first call, and as Tom Lynch, the form chart man, who follows the races all over the continent, says they're far away the best dressed at any track. The crowd came early and began their battle with the iron-men as soon as the official lists reached the ring. The governor-general's party entered the eastern gate in state, with mounted troops in front of the hangers preceding the duke and duchess in the royal carriage. The royal standard flew up the top of the stand. The National Anthem, and everything was ready for the preliminary races to the fifty-fifth annual race for the guineas. "How's the betting?" some one asked about the first race. "You can't get near the ring," was the answer. There was an awful jam, and those with the fighting instinct crowded thru to see the money pour in on the Davies pair, Plate Glass and Calgary, against J. W. Schorr's David Craig, and they started very near split favorites. Sir Blaise and Miramichi were next in demand. The bell in the ring rang, and the eleven paraded along after the scratch. The time for the start, "Plate Glass" was at the rail in the six furlong chute. Miramichi on the outside was the first to show for a perfect start, but the Whitney gelding showed the way to the stretch, followed by Sir Blaise, Calgary and Dorothy Dean. Calgary gave Dorothy Dean her head coming home and she galloped home on the outside an easy winner, a good length ahead of Calgary. Private Petal, followed the stable of Tom, J. S. Hendrie, was third, a nose ahead of Astrologer, and David Craig, that was never prominent except to dump a bucket of water on the crowd. The time, 1:12 1/2, was good, and proved the track to be fast.

sun was shining brightly when the hangers went around the track once and the stage was set for the King's Plate. One of Seagram's four, Vastato, was scratched and the field was exactly eight. They paraded at 4:30 and entered the chute at the head of the stretch, where Dade took the post and was No. 1 on the rail. With Porcupine from the country fairs No. 2, and the favorite Beehive, Harry Giddings' \$10,000 stake colt, that must win unless he breaks a leg or jumps the rail, and no one expected that, for he had often been in the race and a winner at that. Seagram's Froisart and Sea Lord were next behind the barrier, the Sea Lord's old reliable and Stewart's Exmor, with Robert Davies' Gold Bud, third a year ago and touted for the show, again, but never prominent today, in the good position at the extreme outside. Beehive led the parade in blinkers, slightly fractions. They went straight to the quarter mark, and Dade had them in hand before 4:45. Dark Rosaleen, Exmer and Old Reliable did their best to break up the start. They were off in some jam, but it was not a bad start. Dark Rosaleen had the first call and then Porcupine and Beehive. The favorite had a nice lead first time out, but he was followed by Dark Rosaleen, then Old Reliable, Exmer, Sea Lord, Gold Bud, Froisart and Porcupine. Old Reliable and Exmer dropped out of them as they gradually strung out.

Beehive Goes Ahead.
It was a long line entering the stretch, and looking dangerous. Here the lower of Seagram's raised a cheer, Guy noticed it and went to the bar. On coming home Beehive showed his class, and was going away by two lengths from Dark Rosaleen and Sea Lord third, same length away. The three aces were away behind, with daylight all around them in this order: Old Reliable, Gold Bud, Exmer and Porcupine.

There were the usual ceremonies with their royal highnesses doing the chief honors. Harry Giddings was heaped with honors, same as he did Hearts of Oak a year ago, and he received the cup that goes ahead of the guineas. The time, 2:10 3/5, never except to dump a bucket of water on the crowd. The time, 1:12 1/2, was good, and proved the track to be fast.

SECOND RACE—Selling, handicap, 3-year-olds and up. 1. Dorothy Dean, 103 (Collins). 2. Calgary, 112 (Claver). 3. Private Petal, 103 (Vandusen). Time, 1:12 1/2.

THEY'RE OFF AT THE WOODBINE ONCE AGAIN

Dorothy Dean surprised the talent when she finished a good length in front of Calgary of Davies' stable, the favorite, in the Trial Plate, Saturday's opening race. Collins gave Dorothy her head when well into the stretch, and she won going away as the photo shows.
