FURTHER CONTRIBUTIONS RECEIVED FOR BENEFIT OF CANADIAN PRISONERS.
Acting on the appeal issued by the Duchess of Connaught for assistance to alleviate the distress of Canadian prisoners in Germany, the Women's Canadian Club of this city has been soliciting subscriptions in the city, and not without success. Many have contributed to the worthy cause, feeling it obligatory upon them to assist those who have risked their lives for the empire.

Many New Brunswickers are in Germany as prisoners of war, and not a few of them are boys of St. John. They are possibly in dire need, and a little assistance from the friends they left behind may be very welcome to them. Mrs. Richard O'Brien is receiving subscriptions for the fund, and on behalf of the Canadian Club she has made the appeal very strong. The contributions acknowledged yesterday were: Mrs. Robinson, McLaughlin, \$2; Mrs. F. J. Hogan, \$1; a friend, \$5.

Deafness Cannot be Cured
By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by the use of Sargol, a medicine which is applied to the eardrum. When this medicine is used, the eardrum becomes again sensitive to the vibrations of the air, and the hearing is restored. Sargol is a scientific preparation of the most delicate and purest ingredients. It is not a stimulant, and it does not irritate the ear. It is a natural product of the human body, and it is perfectly safe. It is the only medicine that has been found to cure deafness. It is sold by Dr. J. J. Cheney & Co., Toledo, O. Sold by Dispensaries, 75c. Take Hall's Family Pills for constipation.

AN EASY WAY TO GET FAT AND BE STRONG
The trouble with most thin folks who wish to gain weight is that they insist on drugging their stomach or stuffing it with greasy food, which does not help them. It is a natural product of the human body, and it is perfectly safe. It is the only medicine that has been found to cure deafness. It is sold by Dr. J. J. Cheney & Co., Toledo, O. You Should Worry If
it were difficult to find a safe and reliable remedy for the ailments due to irregular or defective action of the stomach, liver or bowels. These ailments are likely to attack anyone; likely, too, to lead to worse sickness if not relieved.

Beecham's Pills
are famous the world over, for their power to correct these troubles certainly and safely. They cleanse the system, purify the blood and act as a general tonic upon the liver and bowels. Indigestion, biliousness, constipation might, indeed, cause you prolonged suffering and expose you to danger if Beecham's Pills were not on hand.

WANT JAPANESE PREMIER TO CONTINUE IN OFFICE
Tokyo, Japan, Aug. 2—The elder statesman here recommended that the cabinet headed by Count Okuma as premier, be requested to remain in office unconditionally. Count Okuma was aware of the fact that innumerable exploiters and grafters were going about the country to rent machine-shops from long-established firms for the purpose of making shells. From personal experience, as a shareholder in an established machine shop, I know this to be the case. Is it not high time that such work should be exposed? Invariably these exploiters convey the impression that they have members of parliament, senators or influential politicians with them.

EXPLOITERS AT WORK
Editor of Financial Times, Montreal, St.—During the past six months I have often wondered if the ministers of the Gordon government and the members of the Shell Committee were aware of the fact that innumerable exploiters and grafters were going about the country to rent machine-shops from long-established firms for the purpose of making shells. From personal experience, as a shareholder in an established machine shop, I know this to be the case. Is it not high time that such work should be exposed? Invariably these exploiters convey the impression that they have members of parliament, senators or influential politicians with them.

HAD DYSENTERY. WAS VERY BAD WITH IT.
Mrs. G. A. McKnight, Mulvihill, Man., writes: "I have used Dr. Fowler's Extract of Wild Strawberry for nine years, and I would not be without it in the house. I was very bad with dysentery, a friend gave me a dose of Dr. Fowler's, and told me to get a bottle right away, which I did, and it did me lots of good. My brother was bad too, and I told him to take it, and he was cured. I hope there are others who will get Dr. Fowler's and keep it in the house, for it will surely save doctor's bills."

Dr. Fowler's Extract of Wild Strawberry has been on the market for the past 70 years, and has been used in thousands of Canadian homes during that time.

You do not experiment when you buy it. See that you get what you ask for, and if your dealer tries to palm off a substitute on you, insist on getting "Dr. Fowler's," or go where you can get it.

The genuine is manufactured only by The T. Millburn Co., Limited, Toronto, Ont. Price, 35c.
