MacDonald Defeated Cote.
The Halifax Echo says:—Roddie MacDonald won the boxing bout in the Masonic Hall last night by his hard hitting and Cliff Cote, though he did not win the bout, won the hearts of the big crowd of fans by his gameness in going on and on, though he did not have a chance to come out the victor. Cote was roundly applauded for his doggedness in not giving in until the referee decided that the Maine boy was not able to remain in the ring much longer, and awarded the decision to MacDonald in the eighth round. The decision of the referee was well received by the crowd. Round 1.—The bout opened fast and furious with both men landing hard and often. Cote slipped to the floor for a second but was not hurt. He was groggy at the finish of the round. Round 2.—Roddie forced the pace but Cote was too clever and dodged, dodged and eluded. Cote landed on three stinging blows to MacDonald. Round 3.—MacDonald did most of the leading and it looked as if it would be a question of time for Cote. Round 4.—Cote weakened but managed to clinch through the round. Round 5.—MacDonald was the aggressor and landed heavily but Cote was game. Round 6.—Cote stuck at it and MacDonald looked worried. Roddie looked as if he just hated to be in the ring then. Round 7.—Cote went down for the count of six and then for seven, but saved himself till the going rang. It was a great exhibition of gameness and he was roundly applauded. Round 8.—The round had scarcely started when Referee Kinch awarded the decision to MacDonald.

Gibbons-Ahearn Bout Jan. 18.
St. Paul, Minn., Dec. 29.—Young Ahearn of Brooklyn and Mike Gibbons of St. Paul will meet for their postponed ten round bout on Tuesday night, Jan. 18, according to announcement made here. Gibbons, who was ill with pneumonia, has resumed training.

News of the Boxers
Joe Wagner, who has fought as a bantam for fifteen years, has retired from the ring for good. He is to run a health school in New York. He is fitted up with a gymnasium and intends to conduct night classes for played-out business men. Young Ahearn has a chance to win the middleweight championship on New Year's Day. He is matched against Al McCoy, who has claimed the title ever since he stopped George Chip in a round nearly two years ago. They will battle at the Broadway Sporting Club of Brooklyn.

George Freeman, manager of Mike Glover, has received two offers for the Boston boxer. His first offer was to have Glover meet Billy Kramer at the National Sporting Club, Milwaukee, on Jan. 7. Freeman will accept this date if Kramer will make 146 pounds at six o'clock. Freeman is also dickering with the promoters of the Garden A. C., Buffalo, for a bout with Jimmy Duffy of Lockport, N. Y.

"Packer" Hanney has been matched to meet champion Johnny Kilbane in Philadelphia on Jan. 17.

BASEBALL
Baker Wanted \$46,000.

New York, Dec. 29.—Frank Baker is willing to come to the Yankees for a three year contract at \$12,000 a year and \$10,000 of the purchase money which the Yankees' owners pay Connie Mack for his release.

Since the noted home run hitter named these figures the dove of peace has sat in an appearance and war time salaries appear doomed. Baker admits that he has only a few years to play in the majors, so it might be advisable to lower his figures if he cares to take full advantage of limited opportunity.

The Yankees may soon be in a position to sign younger players than Baker at moderate salaries. With the Peds in the field for his services Baker had some reason for talking in such large figures, but with this opposition removed the situation is different.

Messrs. Rupert and Huston have agreed to pay a sum which would make the acquisition of Baker a big gamble. With so many players available in the near future they may withdraw their offer and then Baker will have to accept a small salary or remain in retirement.

Artie Ball Dead.
Chicago, Dec. 29.—Artie Ball, shortstop of the famous Baltimore Orioles, a score of years ago, died at his home here yesterday at the age of forty-one.

Ball was a team made of John McGraw, Hugh Jennings, Jack Doyle and other noted players. He retired from the game two years ago.

Thomas Still in Baseball.
Chicago, Dec. 29.—Charlie Thomas, president of the Chicago Cubs, appeared today to transfer his baseball activities to Toledo. When he is dismissed of the Bruins by Charles Wegman, it is reported, Thomas plans to secure control of the Cleveland American Association club and transfer it to Toledo.

Veteran Signed By Detroit.
Detroit, Mich., Dec. 29.—"Billy" Sullivan, veteran catcher and at one time manager of the Chicago American baseball team, has been signed by the Detroit team to coach its pitchers. Sullivan will join the Tigers when they leave for their spring training trip.

Rumor Denied.
The Pittsburgh club denies having made Captain Eddie Mahan of the Harvard football team an offer to play baseball next season. Mahan declares there is "not a chance in the world" for him to play professional baseball.

Still Scrambling for Players.
New York, Dec. 29.—"Fighting base ball" will make the season of 1916 the biggest in the history of the game from the standpoint of both playing and attendance, according to President "Tener" of the National League in his first prognostication since the treaty of Cincinnati was signed. It will be a great season for the players, Tener asserted, because they were shown such consideration by the club owners in the settlement that the men are sure to play at top speed.

The scramble for players continued today with the Yankees in the field for Jimmy Archer, who is expected to be out of a job when Joe Tinker takes hold of the new Cubs. Tinker, Charlie Weegman's choice for manager, is likely to retain Roger Bresnahan, his first string backstop.

A hockey team to represent St. John was practically ready last evening at a meeting of enthusiasts. Many names of players were submitted and the best talent will be selected. The first practice will be held on January 5. Several military teams have been or are being organized in the city and adjacent centres and the prospects look bright for a successful season.

"MASKED MARVEL" NOW SAID TO BE GOTCH'S RIVAL

New York, Dec. 28.—The "Masked Marvel" is still as mysterious as ever. He had promised to unmask if he threw Alexander Aberg in the international wrestling tournament last night. The two wrestled for two hours and forty minutes without a fall.

It is now generally said that the Masked Marvel is Joe Stecher, who wants to succeed Frank Gotch as champion.

TOM SHEVLIN DEAD

Famous Yale Coach and Former Football Player Succumbs To Pneumonia

Thomas L. Shevlin of Minneapolis, millionaire lumberman and Yale football coach, died at his home on Wednesday morning of pneumonia. He contracted a cold while training the Yale football squad last fall.

Shevlin played football at Yale during four years, being captain during his last year, in 1905, when Yale had one of the greatest teams in history. Last fall he struggled hard to whip the aggregation into shape to meet Harvard and the subsequent overwhelming defeat preyed on his mind.

Probably no more sensational athlete ever played on Yale teams than Thomas Lee Shevlin. He was an all-round star in athletics but his greatest fame came from prowess on the gridiron. For four years he was awarded the honor of being picked for an all-American end.

As a senior he captained the eleven. During his career Yale defeated Harvard four times and Princeton three times. Shevlin played on the baseball team in his freshman year.

After his graduation, Shevlin was responsible for several victories for his school on the gridiron. Twice he left his lumber business and came out of the northwest to pull the Ellis out of the mire. His work last fall in leading Yale to victory over Princeton is of recent memory.

The will of Shevlin's father who died in 1912 gave the bulk of his estate valued at \$1,500,000 to Mr. Shevlin and two sisters.

Some time before his death, the father desired to abandon business and shift the details to his son. He organized the Shevlin Company as a holding company for the Shevlin interests. In this the son and two sisters, Mrs. David D. Tenney and Mrs. George C. Rockwith, became principal holders. In October, 1911, Mr. Shevlin was insured for \$500,000.

Valuable Booklet Received.
James M. Power of Halifax has again issued a small book containing world's sporting records and notes of interest. This valuable publication, which is highly prized by all sport writers, came to hand this morning. The book contains records of all kinds of sporting events in addition to pictures of and facts about all the principal boxers. The booklet is a credit to Mr. Power and is a most acceptable New Year's gift.

STORY OF FLYING FOX AND HIS OWNER

Late Duke of Westminster Possessed a Wonderful Record on the Turf

(J. F. P. in Sporting Life)
The late Duke of Westminster possessed a wonderful record in the Derby, having won the greatest race in the world on no fewer than four occasions. His first winner was Bend Or and his last Flying Fox and all four were bred at the duke's stud at Eaton. Flying Fox was by Orme-Vampire, a Galopina mare, which had but a brief and undistinguished turf career.

Flying Fox was foaled in 1890, and in due course was sent to Kingsclere to be prepared for his engagements. It was early ascertained by John Porter, who had charge of numerous famous animals including the duke's three previous Derby winners, that the son of Orme was gifted with more than ordinary powers and when he made his public bow in the New Stakes he commanded a good deal of attention. He made an auspicious start by winning the Ascot race—for which he started favorite—fairly comfortably from Douglas Baird's Mosa. Then at Stockbridge he accounted for

constituted a record at the time. There were folks who questioned whether the price paid by M. Blanc was not excessive, but the buyer was justified by results. His first stock included Government and Ajax.

The former was sent over for the Derby of 1904 for which he started favorite. He, however, swerved, and lost ground at the start and was consequently never in the hunt. The result of the race being a popular victory for Leopold de Rothschild's, St. Amant whose sire, St. Frusquin had been narrowly beaten by Persimmona, a few years earlier, Ajax was more successful, winning both the French Derby and the Grand Prix de Paris.

Subsequently Flying Fox was represented by other good colts in Val d'Or, Jarvis and Adam. Jarvis like Govern-

ment, endeavored to win the Derby for M. Blanc, but Cicero barred the way. Val d'Or, however, compensated to some extent by beating the third of Lord Rosberry's Derby winners in the Eclipse Stakes a month or so later. Cicero in this race started at 12 to 8 on, while Val d'Or was next in demand at 8 to 1 against. Among the other runners were Liangbby, which later also won the Eclipse and Polyneus, which had not at that time established his reputation. Val d'Or won tolerably easily by a half length, with Liangbby third. The progeny of Flying Fox won for M. Blanc more than 100,000 sovereigns in stakes while several of them realised big prices when sold at a later date.

Willard-Fulton Bout Off.
Tom Jones, manager of Jess Willard, and Tommy Burns, promoter in New Orleans, have definitely declared off the bout between the champion and Fred Fulton of Minnesota. Fulton was not looked upon with favor by fight fans, as he was not considered the logical opponent to meet the champion.

A disagreement between Jones and Burns, over the latter's insistence that Fulton meet some other first class fighter before the Willard match caused the cancellation. Jones said there was a strong probability that Willard and Fulton would fight for the championship in Milwaukee on Feb. 22.
