TO RELIEVE CATARRHAL
DEAFNESS AND HEAD-NOISES
If you have Catarrhal Deafness or are hard of hearing or have head noises go to your druggist and get 1 ounce of Par-mint (double strength), and add to it ¼ pint of hot water and a little granulated sugar. Take one tablespoonful four times a day.
This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who has Catarrhal Deafness or head noises should give this prescription a trial.
