The Buils-Eye Shave.
The barber of a homeward-bound transport was trying to impress his soldier assistant that it was no cinch to shave a man whenever the five-inch gun, mounted directly overhead, went into action. But the dough-boy refused to be impressed.

Better Homes Furnished

Mean greater happiness. Beautiful furniture brings an atmosphere of cheerfulness and brightness into every room. If your home is poorly furnished you may not notice it, but other people-neighbors and callers-have noticed the old shabby furnishings, and have perhaps drawn wrong conclusions. They have thought the owners couldn't afford anything better. No one wants such wrong impressions carried away from his or her home.

Let us show you our large stock of fashionable furniture in the latest styles.
