

GOOD THINGS COMING
TO THEATRES OF
ST. JOHN

THE STAR TONIGHT

At the Star tonight, Pearl White will be seen in the eleventh chapter of "The House of Hate." There will be excitement galore when the Hooded Terror captures both Pearl and Gusham. Pearl finds his hiding-place and stands at the door ready to shoot the Hooded Terror, but somebody else is there. What happens? Charlie Chaplin in "His Reckless Fling" and a Sunshine comedy entitled "Damaged, No Good," will constitute the funny end of the show. The Pathe News will also be shown.

TONIGHT'S NEW BILL
AT THE OPERA HOUSE

The regular change of vaudeville programme opening at the Opera House tonight offers five high-class features, including the famous Arrens Family, four sensational gymnasts and acrobats, with two clever children, lately one of the big features with the well-known Ringling Bros' circus; Luman and Lyons in comedy songs and tattle; Harry Fidler, Chinese character entertainer, known as the man of many faces; Tiller Sisters, in songs and characteristic dances; Sgt. De Remont, novelty cartoonist; and the eleventh chapter of the serial drama, "The Woman in the Web." This evening at 7.30 and 9; tomorrow afternoon at 2 and 3.50. Popular prices.

HOUDINI SERIAL
NOW ON AT IMPERIAL

Great interest is centering in the Houdini serial, "The Master Mystery," at Imperial Theatre starting today and continuing in its first three-act chapter tomorrow. In the vaudeville world Harry Houdini is the champion escapeologist, the man who has never yet been bound or manacled so that he could not free himself. As the hero of this story he demonstrates his wonderful methods. Besides this, the story is thrillingly wonderful. The villain is a mechanical man, an uncanny invention. The serial will be shown in addition to the Vitaphone feature "Everybody's Girl," featuring Alice Joyce.

MILDRED HARRIS
AT IMPERIAL MONDAY

Mrs. Charlie Chaplin (Mildred Harris), that charming little ingenue shown to such advantage in the sociological dramas, "The Price of a Good Time" and "The Doctor and the Woman," at the Imperial some time ago, will return to the Keith house screen on Monday and Tuesday of next week in Lois Weber's latest and most sumptuous shop-girl and high society problem production entitled "Borrowed Clothes." If anything this story eclipses all others of the kind and will create another furore.

AT EMPRESS TONIGHT

Don't fail to see "The Fighting Trail" Episode 18; "The Water Trap," at the Empress tonight. The balance of the programme consists of "In the Shadow of the Rockies" and two comedies, "Going Up" and "Dr. Carr's Experiment," Saturday Matinee 2 p.m.

CHARLIE CHAPLIN TODAY

Charlie Chaplin in "His Reckless Fling" will be one of the big attractions at the Star tonight.

IN MEMORIAM

DALEY—In loving memory of Miss Alice M. Daley, who departed this life Jan. 31, 1919. Through all pain at times she'd smile, Smile of heavenly birth; And when the angels called her home, She smiled farewell to earth. Heaven retaineth now our treasure, Earth the lonely casket keeps, And the sunbeams long to linger Where our sainted sister sleeps. MOTHER AND FAMILY.

What Do Folks
Think When
You Squint?

The little ones ask their mother: "What makes Mr. Jones look so funny?" Older folks think "He will ruin his eyes. He ought to get glasses." If you only realized how much comfort and satisfaction properly fitted glasses bring—how much they benefit the sight and health—you would have Sharpe examine your eyes and make the proper glasses to preserve and protect your vision.

LOCAL NEWS

PTOSIS
The word is pronounced toe-sis, but has nothing to do with the toes. It has, however, a great deal to do with the abdominal muscles. The majority of women have it to a greater or less degree. It is usually caused by badly designed corsets—those that constantly press down the abdomen instead of supporting it. Have your corsets fitted. Phone for appointment, Corset Dept., Daniel, Head of King street.
