Drinking for 24 Years

A PHYSICAL WRECK CURED
BY THE GATLIN TREATMENT

A man who had been drinking steadily for 24 years, came to the Gatlin Institute for treatment. He was a physical wreck and was so extremely nervous that his hands were always shaking. The habit was broken, the nervousness disappeared, his health improved, and he was even able to shave himself.

He left the Institute a new man with confidence in himself, and no more desire for alcoholic drinks. The Gatlin Institute has effected the cure of many men when their friends thought them incurable. No case is too difficult for this treatment, even the most confirmed drunkards. Every privacy is maintained with private room and nurse in attendance.

This is the original 3 Day Cure and absolutely reliable. Cure is guaranteed under Written Contract to be satisfactory in every particular, or we refund the fee paid and the treatment costs nothing. For the Home Treatment a trained nurse can be sent to administer treatment, if desired, within a reasonable radius, free of charge. Write today for booklet and full particulars.
