

and Largest Contingent Foreign Services Cheered by Thou- sands as They Leave For the Front

After a day of anxious anticipation, the volunteers for the overseas detachment of the 3rd Regiment C.A. on Patridge Island about 5.30 last evening. Eagerly the men responded and, with a parting cheer from their comrades left behind for the home defence, were soon sailing across the harbor in scows made temporarily into transports, towed by the tugboat Little. While they steamed onwards into the harbor, there came the shrill piping of whistles from the steam craft in the harbor and the marine salutation was continued for several minutes.

Then Reed's Point was reached and, as they disembarked, the gullant members of the artillery detachment were greeted with rousing cheers, and inspiring martial airs from five assembled bands, the St. Mary's, which has been acting as the Artillery-regimental band, the 62nd, Sons of England, City Cornets, and Temple Bands. "Rule Britannia" the lads sang as their craft brought them to the harbor, but the singing was cut as the docks were nearest, wild and enthusiastic.

Before leaving for the front last evening Major J. T. McGowan of the artillery was remembered in many ways by various friends and associates. The remembrance was of a very tangible nature and included a magnetic compass from the officers of the 3rd Regiment Canadian Artillery, a purse of money from officers and teachers of St. David's school and individual presents ends of an automatic revolver, watch as well as several other relics.

leaving the island the officers presented gold wrist watches to the men going with the battery, number of men who left St. 92. They were joined at the eighteen men from Prince's, who were unable to come a time.

with the contingent were Magan, in command; McGowan, lieutenants and Kelly.

WEAK MEN, BRACE UP!
Why will you be weak? Why will you go on from day to day when you know you are losing your nerve force—your manhood—when you see a cure within your grasp? Do not delay a matter which is a key to your future happiness. Whatever your condition today, you will not improve as you grow older. Age calls for greater vital force, and the older you get the more pronounced will be your weakness.
I have the grandest invention of the age for weak, run-down men, the surest and easiest cure for all nervous and tonic diseases. Its wonderful power is directed to the seat of its nerve system through which its vitalized strength penetrates into all parts of the body, carrying new life to every function. It has been weakened by diseases or dissipation, giving energy to the brain and power to the system. No weak man regret a fair trial of this invigorator.
DR. McLAUGHLIN'S ELECTRIC BELT
It is one sure remedy for the cure of Rheumatism, Weak Back, and similar ailments, as well as Dyspepsia, Constipation, etc. He can remain in doubt as to the value of this grand remedy when you see so many cures by it.
Dear Sir—I wish to say that your Belt has given me satisfaction. I might say further that I think mine was a hard case to help, being troubled with sick headache and very bad pains in my head and was able to sleep more than half the night. I am pleased to say after using your Belt for awhile, I slept better and my sick spells grew less frequent. The current generated by the battery was fine and strong and gave me good satisfaction in a great many ways. I remain, Sir, your obedient servant,
A. S. MACE, J. P.,
