Drinking for 24 Years

A PHYSICAL WRECK CURED BY **The Gatlin Treatment**

A man who had been drinking steadily for 24 years came to the Gatlin Institute for treatment. He was a physical wreck, and so extremely nervous that his hands were always shaking. The habit was broken, his nervousness disappeared, his health improved; and he was even able to shave himself. He left the Institute a new man, with confidence in himself, and no more desire for alcoholic drinks, and this was all accomplished in 3 days.

The Gatlin Institute

has affected the cure of many men when their friends thought them incurable. No case is too difficult for this treatment, even the most confirmed drinker. It is easy to take, has no disagreeable features, leaves no bad after-effects. It never fails to cure and the cure is permanent.

Every privacy is maintained with private room and nurses in attendance.

This is the Original 3-Day Cure and Absolutely Reliable

Cure is guaranteed to be satisfactory in every particular, or we refund the fee paid and the treatment costs nothing. Call write or telephone today for book of particulars and copy of contract. All information cheerfully given.

The Home Treatment is for those who find it inconvenient to come to the Institute.

THE PINK LADY; OPERA HOUSE NEXT WEEK

A Great Treat in Musical Comedy, Gorgeous In Costuming and Rich in Entertainment

Olga DeBaugh, who plays "Oh Beautiful Lady" on her violin in Fisher and Stevens' gorgeous spectacle, The Pink Lady, that will be presented at the Opera House all next week.

So much has been written about this truly delightful entertainment that all that can be said is that it is a skillful fabrication of color, tunes, feminine pulchritude and clever dances. Its mis-en-scene is gorgeous, and its costuming is a prism radiating all the colors of the rainbow. Engage your seats early, for the curtain will rise promptly at 8:10 p.m., owing to the nature of the immense production. At the Opera House from Monday to Saturday.

"A most peculiar effect was produced by an announcement in the advertisements of a county fair to be held in my state," says Champ Clark. "Among other things the announcement said that 'attractive features of this great fair

will be highly amusing donkey races and pig races.' Then, to the amusement of the judicious, this note was added: 'Competition in these two contests will be open to citizens of the county only.'"

TORIES ADD SIX AND A HALF MILLIONS TO THE DEBT IN ONE MONTH

Ottawa, Aug. 8.—There is evidence in the financial statement of the dominion for the first four months of the current fiscal year that the spendthrift habits of the present administration will soon compel Canada to be again a borrower among the nations. During the month of July the public debt increased by \$6,225,104, and for the first time in years the month's customs revenue, as entered on the books of the finance department up to July 31, shows a decrease. Coupled with this, the total expenditure for the four months shows an increase of more than \$8,000,000, as compared with the corresponding period of 1912. About \$6,000,000 of this increase represents payments to Mackenzie & Mann as progress installments of the \$17,000,000 in railway subsidies voted to them last season.
