Bowel Troubles of Childhood

It is impossible to exaggerate the value of FRUIT-A-TIVES as a medicine for children. They contain no alcohol - no morphine or cocaine-no dangerous drugs of any kind.

Fruit-a-tives are fruit juices-concentrated and combined with the most valuable tonics and internal antiseptics known to medicine.

Fruit-a-tives are free of caloniel cascara, senna and the host of violent purgatives that simply act by irritating he bowels. Fruit-a-tives are made from fruit and tonics and are pleasant to take. and so mild in their action that they never gripe or pain. During the summer, when children

are so apt to eat improperly, mothers should have a box of Fruit-a-tives always handy.

At the first sign of Diarrhoea, Indigestion, Headaches, Biliousness, Pecy-ishness, Vomiting — give Fruit-a-tives according to directions. These splendid fruit liver tablets will instantly correct faulty digestion-clean and sweeten the stomach—regulate the bowels, kidneys and skin—and so invigorate and strengthen the whole system, that the little ones can quickly throw off the temporary illness.
