WELCOME TO HAMILTON.

Shortly before the hour set for the opening of Great Priory it was announced that His Worship the Mayor of Hamilton, E. A. Colquhoun, Esq., was in waiting. The Sir Knights being called to order, His Worship entered, and was introduced to the Supreme Grand Master and Sir Knights by Em. Sir Kt. John Hooper, and proceeded to give an address of welcome. He extended a hearty welcome to all the visiting Sir Knights, trusted they would one and all have an enjoyable and pleasant visit, and that again in the near future make Hamilton their place of meeting, and at least expected that the attractions of the city would persuade a number to make it their future home.

Grand Master Macwatt responded in a few happy remarks, thanking the Mayor for his courteous and cordial welcome, after which His Worship retired.
