"He ought to be punished in a way broken my heart ;" and, looking the very personification of grief, she shed an imaginary tear.

"He actually believes that I have succumbed to his charms," laughed Dot. "You ought to have seen me, girls, when he told me that he loved me. I blushed and stammered in a truly conventional style, while all the time I was find some way to serve him as he deserves, but I am afraid he is impermeable. His heart is incrusted in such an awfully thick coating of self-esteem, that

He'll disappear suddenly some day after he thinks he has done his work well, and we shall never see him more. And I wish I could make him love me -wouldn't I scorch him !"

in an amused boy's voice behind the window curtain, and out stepped her home on a fortnight's vacation.

With a rush the girls were on him, pounding him with their little fists, hugging him with the same breath, for were to see him so unexpectedly, if he had intruded on their secret session.

"I had no idea you were so vindictive, Dotty," he renewed, when the greetings were over. "And who is
