FINANCIAL STATEMENT. The Order of the day-the Budget-was next taken up. Hon. Mr. Elder, Provincial Secretary, said-

The Finance Minister of New Bruns wick, when making a statement of this kind, had only a modest duty to perform. He did not deal with large sums of money and financial devices such as tariffs etc. Oue might every day, meet merchants, manufacturers, and other business men whose transactions dwarfed those of the Sovernment; but the proper administration of affairs nevertheless affected the well being of a great many people and the honor of the Province. It brought with it a corresponding degree of responsibility The questions uppermost in their mi were what is the exact state of the debt of the Province-funded and floating. The question was the more asked, because even intelligent men, use I to figures, got lost in the mysteries of the Receiver Gen eral's account and payments by warrant and check. Sympathizing with the desired of the public for information on that point, he would give as full an explanation as possible. Taking the balance on hand end of October, 1868, we had a balance to the credit of the Province of \$213,073, aud on the 31st Dec. next we will have a sarsparalia, and several ther valuable remedies, with the extraordinary all terative properties of the "Double Iodides," and of none that can be more highly recommended as safe, certain and reliable, and I have every condidence that such a remedy for general use, taking the place of the many worthless nostrums of the day, will be a great boon to suffering humanity, and its use will be attended with the most satisfactory results.
